Fier d'aimer et d'être aimé Serge Lallenec, 2023-04-26 J'ai rédigé ce livre sous forme d'autobiographie car je tenais prouver mes lecteurs qu'aimer une personne quel que soit son sexe son âge sa couleur sa religion est dans tous les cas la plus belle chose qui puisse arriver à un être humain. Votre vie d'amoureux c'est vous de la piloter et personne d'autre même si des influents aux esprits froids tentent de vous en dissuader sous des prétextes qu'eux-mêmes ne comprennent pas toujours. Ce que j'ai essayé de vous démontrer dans les chapitres de mon ouvrage c'est que lorsque vous tombez dans l'amour vos hontes vos rancœurs vos tics de me doivent être systématiquement limités de vos esprits. Les deux drames que j'ai vécus avec la perte de mes deux grands amours ont mis mon psychisme rude preuve et je tenais vous relater comment je m'en suis sorti. Haut les cœurs bousculez vos esprits osez pour certains atteindre l'inatteignable et encore une fois ne vous mettez pas de barrières qui sont toujours des points paralysants.

Early silent pioneers Georges Méliès Alice Guy Blaché and others followed in the footsteps of the Lumière brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In *Encyclopedia of French Film Directors* Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one timers nearly 3 000 directors are cited here including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary including dates and places of birth and death information on the individual's education and professional training and other pertinent details such as real names when the filmmaker uses a pseudonym. The entries also provide complete filmographies including credits for feature films shorts documentaries and television work. Some of the most important names in the history of film can be found in this encyclopedia from masters of the Golden Age Jean Renoir and René Clair to French New Wave artists such as François Truffaut and Jean-Luc Godard.
