

▼ Parental Control and your PIN

Using your Sky digital, you have control over which programmes are sent to your home. You can do this by using a PIN (Personal Identification Number).

Information about your PIN is provided with your Sky Viewing Card. You can change your PIN at any time. For more information about changing your PIN, refer to the "Changing your PIN" section on page 35.

Parental Control lets you specify what categories of programmes can be viewed and how much can be spent when a programme is ordered, before a PIN is needed.

To display the Parental Control screen, press **services** on your remote control. Highlight **Parental Control**, then press **select**.

- ❗ If your Sky digital is not connected to your telephone line, you will have to call your broadcaster's helpline to change your PIN or spending limit. For your broadcaster's helpline number, select the **Telephone Numbers** option from the **Services** screen.

Using Parental Control

To display the Parental Control screen, press **services** on your remote control. Highlight **Parental Control**, then press **select**. When you currently enter your PIN, the Parental Control screen is shown.
