*An Enemy of the People* Henrik Ibsen, 1998-02-26 *An Enemy of the People* concerns the actions of Doctor Thomas Stockmann a medical officer charged with inspecting the public baths on which the prosperity of his native town depends He finds the water to be contaminated When he refuses to be silenced he is declared an enemy of the people Stockmann served as a spokesman for Ibsen who felt that his plays gave a true if not always palatable picture of life and that truth was more important than critical approbation

*An Enemy of the People* Arthur Miller, Henrik Ibsen, 1977-11-17 A Penguin Classic When Dr Stockmann discovers that the water in the small Norwegian town in which he is the resident physician has been contaminated he does what any responsible citizen would do reports it to the authorities But Stockmann's good deed has the potential to ruin the town's reputation as a popular spa destination and instead of being hailed as a hero Stockmann is labeled an enemy of the people Arthur Miller's adaptation of Henrik Ibsen's classic drama is a classic in itself a penetrating exploration of what happens when the truth comes up against the will of the majority This edition includes Arthur Miller's preface and an introduction by John Guare For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Marx-aveling, Christopher D'James, 2014-07-09 The strongest man in the world is the one who stands most alone The plot of Ibsen's play is relevant more than 125 years after its 1882 publication Natural springs found in a little Norwegian village are about to put the town on the map until a physician outs a powerful area business that is poisoning the water Unfortunately the media is complicit with local government in suppressing the study and when the scientist himself offers to lecture no one will rent him a forum In short when the scientist bucks local interests he becomes a pariah to the lightly educated and easily
