American Revolution Stories:

True Stories of the Revolutionary War Elizabeth Raum, 2012-07 In graphic novel format tells the stories of six men and women who fought for their beliefs during the Revolutionary War Provided by publisher **Patriots and Redcoats**

Steven Otfinoski, 2015 Using the biography text structure explores the key leaders of the Revolutionary War *Voices of the American Revolution* Lois Miner Huey, 2010-07 Presents engaging personal war stories from a variety of armed services and ranks Includes information on weapons battle sights and sounds daily life and living conditions **Best Little Stories from the American Revolution**

C. Brian Kelly, 2011-10 A marvelous introduction to the American Revolution told with wit compassion and insight Brian Kelly not only understands the history he appreciates the people who made it Thomas Fleming author of *The Intimate Lives of the Founding Fathers* *The Revolution You Never Knew* Beyond the deadly skirmishes determined generals and carefully penned words of a powerful declaration lie countless forgotten stories that tell the tale of our nation birth Read intimate accounts of the fight for independence as colonial families recall their tense encounters with brutal British soldiers women participate in military initiatives and become powerful social advocates and leaders reveal the intricacies of their motivations and personal lives Join the ranks of America's first Patriots as they unite to declare their independence Old Man Wyman of Woburn nothing more than a mysterious and deadly figure atop a white horse mounted a solitary pursuit against the British as they retreated from Concord back to Boston effectively striking fear deep into the hearts of the redcoats as he diminished their numbers one by one Inventor David Bushnell desperate to aid the outnumbered American naval forces both befuddled and alarmed British forces when he devised a working prototype for the world's first underwater torpedo and most impressively a submersible boat dubbed the Turtle America's first submarine South Carolina sisters in law Grace and Rachel Martin carrying rifles and dressed in their husbands clothing intercepted important dispatches bound for a nearby British fort when they ambushed the courier and two armed escorts by brandishing their weapons and speaking with deep voices *Strange and Obscure Stories of the Revolutionary War* Tim Rowland, 2015-11-10

Astonishing Events from the American Revolution That They Don't Teach in School We all know about Washington's crossing of the Delaware and Betsy Ross's stitching together the Stars and Stripes but how about a little known valid reason for the war itself and why General George was able to survive a plague that wiped out many of his fellow countrymen History buff Tim Rowland provides an entertaining look at happenings during and surrounding the Revolutionary War that you won't find in history books He digs into the war's major events and reveals the unknown bizarre and often wildly amusing things the participants were doing while breaking away from Great Britain For example conventional wisdom says that no taxation without representation was an important reason for the revolution but not in the way we've been told Colonists paid the wages of common court judges who were reluctant to rule against the men who paid their salaries Therefore duties on molasses the key ingredient in rum were generally unenforced until the British cut the tariff in half Strange but true the

spark that touched off the revolution was in fact a tax cut During the French and Indian War and then again in the first year of the revolution the British were accused of biological warfare infecting blankets with smallpox and then concealing them in Indian camps So feared was the disease that soldiers began to illegally inoculate themselves before widespread vaccination was finally ordered for the army Washington himself was immune thanks to a Caribbean trip taken as a young man when his brother Lawrence sought a cure for tuberculosis Lawrence wasn't cured but George was infected with smallpox in Barbados As a young man in a warm climate he survived As an older man in a northern winter however the story of the father of our country might have had a different ending Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The War for Independence Albert Marrin, 1988 A detailed account of the Revolutionary War beginning with its origins in the French and Indian War

The American Revolution Bruce Bliven, Jr., 2011-02-02 In the American colonies of the 1770s people were fed up with British laws Local farmers and tradesmen secretly formed a militia In 1775 when the British marched into Lexington and Concord Massachusetts the Americans were ready From that first battle to the final showdown at Yorktown the Americans fought against tremendous odds The British army was bigger and better trained Food and guns were scarce But George Washington's ragged army fought for and won the freedom and independence we cherish to this day Illustrated with black and white photographs the tale of our country's fight for independence is brought to life in fast moving dramatic detail

Stories of the American Revolution Everett Titsworth Tomlinson, 1923 Stories of the American Revolution

Henry and the Cannons Don Brown, 2013-01-22 Before Washington crossed the Delaware Henry Knox crossed Massachusetts in winter with 59 cannons in tow In 1775 in the dead of winter a bookseller named Henry Knox dragged 59 cannons from Fort Ticonderoga to Boston 225 miles of lakes forest mountains and few roads It was a feat of remarkable ingenuity and determination and one of the most remarkable stories of the revolutionary war In Henry and the Cannons the perils and adventure of his journey come to life through Don Brown's vivid and evocative artwork

The American Revolutionary War Trivia Book Bill O'Neill, Dwayne Walker, 2018-08-29 Welcome to the 1770s years of big hats big wigs and big ideas You might have learned about the American Revolution in history classes but this book is here to tell you everything your teachers couldn't Each chapter of our trivia books is broken up into fifteen short sections that will introduce you to major players major ideas or majorly weird stories To go along with the fifteen short break downs of the war every chapter also ends with twenty fun facts or bits of trivia and five questions to test your knowledge of the the American Revolution back cover

I Was a Teenager in the American Revolution Elizabeth Ryan Metz, 2006-04-27 Teenagers

were critical to the American victory in the Revolutionary War Over half of the colonial population was under the age of 16 A draft of all boys between the ages of 16 and 19 was enacted to fill the ranks of the Continental Army leaving their sisters to fill their places at home These circumstances meant that teenagers played an essential role not only in combat but also on the home front Israel Trask joined the militia at the age of 10 by the time he turned 12 he was serving at sea Abigail Foote a 15 year old from Connecticut wove cloth sewed clothes weeded the garden and made cheese providing much needed clothing and food Henry Yeager 13 barely escaped hanging for his army role as drummer Dicey Langston 16 when the war began risked her life to pass loyalist information to the Patriots Future president Andrew Jackson was only 14 when he was captured and sent to jail at Camden This book relates the Revolutionary War experiences of 23 teenagers Drawing on firsthand accounts of young Americans from Massachusetts to South Carolina and from many different backgrounds wealthy and poor slave and free Tory and Patriot it provides a fascinating varied look at America s fight for independence and teenagers role in this struggle for liberty Excerpts from journals and memoirs make up the body of the text Appendices provide a chronology of events and a glossary of sailing terms

Stories of the American Revolution Thomas Fleming, 2018-10-22 Few writers have told the story of the American Revolution with more grace clarity or emotional power than New York Times bestselling historian Thomas Fleming Here collected for the first time and posthumously are Fleming s favorite works He takes us back to the days of the founders detailing the surprising facts of American life in 1776 including its resemblance to today He tells the seldom told tale of the Loyalists supporters of England who acted on their political convictions with impressive courage during the Revolution and reveals little known facets of men ranging from Franklin to Lafayette Howe to Washington He concludes with the Constitutional Convention of 1787 when fifty five men from twelve virtually autonomous states came to Philadelphia in a brave some thought foolhardy attempt to replace a loose and fragile confederation with a strong national government Their astonishing achievement became a standard of enlightenment the world over

Victory Or Death! Doreen Rappaport, Joan Verniero, 2003-04 Readers are transported to the years of the American Revolution through the actions of real people some famous and others not yet known which provide an inspiring glimpse into the lives of those who took part in the fight for independence

Illustrations The Untold Stories of the American Revolution Ajah Excel, 2024-12-22 While the American Revolution is often portrayed as a tale of famous battles and iconic figures there is much more to the story than what history books typically reveal The Untold Stories of the American Revolution sheds light on the hidden narratives and forgotten heroes who played critical roles in shaping the nation s fight for independence This book brings to life the stories of African American patriots who fought valiantly for freedom while facing the contradiction of slavery It explores the contributions of women from spies like Agent 355 to warriors like Deborah Sampson who defied traditional roles to support the cause of liberty Additionally it delves into the complex relationships Native American tribes had with both the British and the revolutionaries as they navigated a conflict that threatened their

lands and livelihoods Readers will discover the lesser known but pivotal events of the revolution such as the intelligence networks that used codes ciphers and invisible ink to outwit the British The book also reveals the unsung contributions of immigrants farmers and artisans who risked everything for the promise of a better future More than a celebration of heroism this book examines the revolution s lasting impact on civil rights political movements and the ongoing struggle for equality It invites readers to see the American Revolution not just as a war for independence but as a profound social and cultural transformation By telling the untold stories this book enriches our understanding of a defining moment in history and honors the diverse individuals who made independence possible **Voices of the American Revolution** Kendall

Haven,2000-11-15 Riveting accounts of real people tell the story of the American Revolution from diverse characters and viewpoints from men women children Patriots Tories pacifists African American slaves Native Americans Hessian mercenaries and more All major political social economic and military viewpoints are represented Political debates military battles and maneuvering the struggles of civilians the role of children and the fates of Tories and Continental soldiers at the end of the war are just some of the themes covered With each story Haven includes a variety of learning extensions objective questions research projects hands on learning activities and open ended points to ponder for discussion and debate A bibliography of resources for further study completes the work Packed with information this engaging collection is a wonderful supplement to American History units a great resource for read alouds and student reports *Liberty Or Death* Betsy Maestro,2005-09-01 From small acts of rebellion through major battles of the Revolutionary War this informative guide provides readers with an in depth review of the events that led to the colonies gaining their freedom from the British in order to become the free nation that it is today *The Memoirs of a Revolutionary Soldier* Joseph Plumb Martin,2023-12-12 Joseph Plumb Martin s *The Memoirs of a Revolutionary Soldier* offers an intimate glimpse into the life of an ordinary soldier during the American Revolutionary War Written in a straightforward and accessible style Martin s memoir captures the grueling realities of military service the camaraderie among soldiers and the trials faced on both the battlefield and at home As a primary source it provides invaluable perspectives on significant events such as the encampment at Valley Forge blending personal narrative with broader historical contexts that resonate with scholars and history enthusiasts alike Martin born in 1760 enlisted in the Continental Army at the tender age of fifteen driven by a profound sense of patriotism and a desire for independence His firsthand experiences chronicled with keen observation and sharp wit reflect the voice of the common man in an era often dominated by the tales of generals and political leaders His unique background and keen insight into the struggles faced by everyday soldiers offer a nuanced understanding of the Revolutionary War This engaging memoir is highly recommended for readers seeking to comprehend the human dimensions of a pivotal period in American history Martin s eloquent prose and vivid storytelling make it an essential read for those interested in military history personal narratives and the enduring spirit of the American fight for freedom In this enriched edition we have carefully created added value for your
