

People who wish to be
offended will always find some
occasion for taking offense.

John Wesley

An Occasion For Offense

Jonathan Going

An Occasion For Offense:

, *The Institutes of the Christian Religion* □ Volume II John Calvin, **John Calvin's Bible Commentaries On St. Paul's First Epistle To The Corinthians Vol.1** John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The Epistles of Paul to the Corinthians form a most important part of the Sacred Writings Though not so systematic as the Epistle to the Romans they contain many passages bearing directly on the fundamentally important doctrines of the Christian system while they are of the highest utility in connection with Practical Theology The disorders that had unhappily crept into the Church at Corinth gave occasion for the Apostle's handling at greater length than in any of his other Epistles various important points as to doctrine and worship while the relaxed state of discipline that had begun to prevail among them rendered it necessary to exhibit more fully the principles which ought to regulate the administration of the Christian Church In this the overruling hand of Him who brings good out of evil is strikingly apparent This volume contains chapters 1 to 14 please find chapters 15 and 16 along with the whole Second Epistle in the next volume **Practice in Christianity** Søren Kierkegaard, 2013-04-21 Of the many works he wrote during 1848 his richest and most fruitful year Kierkegaard specified Practice in Christianity as the most perfect and truest thing In his reflections on such topics as Christ's invitation to the burdened the imitatio Christi the possibility of offense and the exalted Christ he takes as his theme the requirement of Christian ideality in the context of divine grace Addressing clergy and laity alike Kierkegaard asserts the need for institutional and personal admission of the accommodation of Christianity to the culture and to the individual misuse of grace As a corrective defense the book is an attempt to find ideally a basis for the established order which would involve the order's ability to acknowledge the Christian requirement confess its own distance from it and resort to grace for support in its continued existence At the same time the book can be read as the beginning of Kierkegaard's attack on Christendom Because of the high ideality of the contents and in order to prevent the misunderstanding that he himself represented that ideality Kierkegaard writes under a new pseudonym Anti Climacus Reports of Cases at Law and in Chancery Determined in the Supreme Court of the State of Colorado Colorado. Supreme Court, 1928 *Commentary on 1 and 2 Corinthians* John Calvin, For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit's words but the mind of the Spirit as couched in those

words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy

Kierkegaard's Kenotic Christology David R. Law,2013-01-10 The orthodox doctrine of the incarnation affirms that Christ is both truly divine and truly human This however raises the question of how these two natures can co exist in the one united person of Christ without undermining the integrity of either nature Kenotic theologians address this problem by arguing that Christ emptied himself of his divine attributes or prerogatives in order to become a human being David R Law contends that a type of kenotic Christology is present in Kierkegaard s works developed independently of the Christologies of contemporary kenotic theologians Like many of the classic kenotic theologians of the 19th century Kierkegaard argues that Christ underwent limitation on becoming a human being Where he differs from his contemporaries is in emphasizing the radical nature of this limitation and in bringing out its existential consequences The aim of Kierkegaard s Christology is not to provide a rationally satisfying theory of the incarnation but to highlight the existential challenge with which Christ confronts each human being Kierkegaard advances existential kenoticism a form of kenotic Christology which extends the notion of the kenosis of Christ to the Christian believer who is called upon to live a life of kenotic discipleship in which the believer follows Christ s example of lowly humble and suffering service Kierkegaard thus shifts the problem of kenosis from the intellectual problem of working out how divinity and humanity can be united in Christ s Person to the existential problem of discipleship

Vine's Complete Expository Dictionary of Old and New Testament Words W. E. Vine,Merrill Unger,1996-08-26 This classic word study resource allows you to study the meaning of biblical words in the original languages without spending years learning Greek or Hebrew A great resource for students seasoned pastors and anyone who enjoys biblical word studies even if they have little to no formal training in Hebrew or Greek Vine s Complete Expository Dictionary Contains over 6 000 key biblical words describing word frequency usage and meaning as fully as possible Serves as a dictionary commentary and comprehensive topical concordance all in one volume Includes the widely used numbering system found in The New Strong s Exhaustive Concordance of the Bible Contains an introduction describing the history of the languages in which the Bible was written and other orientating data on how the modern Bible came about This classic reference tool has helped thousands dig deeper into the meaning of the biblical text and will enlighten Bible students to the riches of God s truth in Scripture opening up God s word as it has never been opened before This is the most affordable complete edition of Vine s famous Old and New Testament dictionaries available [The Christian Library](#)

Jonathan Going,1836 *New York State Criminal Procedure 2015* John Snape,2014-11-15 The complete text of the New York State Criminal Procedure 2015 version Updates to the text are included inline within the book Includes the following
