T. Steele, A T Steele M DIV M a, 2009-06 Do you have a desire to know the on the ground facts concerning the validity of the New Testament Have you ever wanted to know what the original languages were and what they said and to stop relying upon one published translation after another without studying the languages Want a different kind of New Testament commentary that is not boring and will excite you to understand how and why the New Testament came to be Need Solid proof of the validity of the New Testament and the statements of the Messiah Desire a ground breaking work that will unite the pages of history with the pages of the Bible The Exegetical Study Guide Series by A T Steele will provide the reader with understandable yet technical access to the original language without having ever taken one course to do so Far from being a surface level study this book will draw the reader into the richness and depth of the New Covenant concept rife with life applications Prepare to understand the original New Testament content as it was intended to be understood by its original authors It is a beginner's guide to deeper New Testament study as well as a long awaited work for the bible student and can be utilized in personal and group studies collegiate pursuits and as a reference for research Steele's methods of explaining the original Greek of the New Testament and demonstrating how it is translated is a careful crafted and designed for the average reader and is positively unlike anything else found on the subject The reader will assuredly walk away from the book with a new outlook on how the New Testament came to be and how history was awakened in the first century This book should be in the hands of any serious student of biblical exegesis and every serious Christian who is on the path of real discipleship *What Happens Next Bible Study Guide plus Streaming Video* Max Lucado, 2024-08-13 What comes to mind when you think about the end times If you are like many Christians you might not think about it much at all You have a carpe diem kind of faith that focuses on the here and now Why occupy your thoughts with the not yet when you have enough to deal with in the right now The answer is simple because Jesus focused on the end times A full thirty percent of his teachings in the Gospels have to do with discourses on heaven hell and the events that will signal the final age So if Jesus made the end times a priority it only makes sense that his followers would make it a priority as well Perhaps one of the reasons why you don't like to think about the end times is because you know it will involve turmoil and strife Indeed Jesus said the final days would be marked by events that include economic turmoil political conflicts ethnic tensions persecution of Christians famines wars and rumors of wars diseases false prophets waning faith in Jesus and other fearful sights Jesus declared All these are the beginning of birth pains Matthew 24 9 Labor pains increase in frequency

and intensity as the delivery draws near Jesus was speaking of a day in which the same will happen in the world Now when it comes to considering these events that will signal the end of the age you have a choice as to how you will respond You can see these circumstances through the eyes of fear or faith The eyes of fear see little reason for hope and ample reason for anxiety However the eyes of faith see history inching closer and closer to a new era that will usher in a heavenly destiny a time when you will reach the end of the race and receive the heavenly prize Philippians 3:14 NLT God has told you what to expect not to scare you but to prepare you He is like a pilot on the intercom telling the passengers about impending turbulence A good pilot keeps his travelers informed Your good Father does the same God wants you to have a deep seated confidence that he is firmly on his throne and the future is in his hands He has given prophecy to empower his saints with the reassurance that whatever happens in this life he is ultimately sovereign
