**Conspirituality** Julian Walker, Matthew Remski, Derek Beres, 2023-06-13 Conspirituality takes a deep dive into the troubling phenomenon of influencers who have curdled New Age spirituality and wellness with the politics of paranoia peddling vaccine misinformation tales of child trafficking and wild conspiracy theories In the early days of the COVID 19 pandemic a disturbing social media trend emerged a large number of yoga instructors and alt health influencers were posting stories about a secretive global cabal bent on controlling the world's population with a genocidal vaccine Instagram feeds that had been serving up green smoothie recipes and Mary Oliver poems became firehoses of Fox News links memes from 4chan and prophecies of global transformation Since May 2020 Derek Beres Matthew Remski and Julian Walker have used their Conspirituality podcast to expose countless facets of the intersection of alt health practitioners with far right conspiracy trolls Now this expansive and revelatory book unpacks the follies frauds cons and cults that dominate the New Age and wellness spheres and betray the trust of people who seek genuine relief in this uncertain age Each of the three authors has witnessed firsthand the use of fear based political agendas to manipulate the human desire for spiritual fulfillment They throw a spotlight on the telltale signs of cult dynamics and expose how influencers have stoked suspicion of public health initiatives And they show how charlatans and pseudo doctors encourage their followers to oppose mainstream advice as a form of spiritual quest With analytical rigor and flashes of irreverent humor Conspirituality offers an antidote to our times helping readers recognize wellness gifts engage with loved ones who've fallen under the influence and counter lies and distortions with insight and empathy

**Teaching Contemporary Yoga** Edward Clark, Laurie A. Greene, 2022-03-14 Teaching Contemporary Yoga provides a novel look at how modern yoga is understood practiced and taught globally Utilising perspectives from several academic disciplines the authors offer an analysis of the current state of modern yoga and the possibilities for future experimentation and innovation The

authors draw on anthropological performance and embodiment theories to understand yoga practice as a potentially powerful ritual of transformation as well as a cultural product steeped in the process of meaning making They craft a unique analysis that contrasts asana with the largely unexamined philosophy underlying the practice of vinyasa while imagining a vibrant future for the evolution of yoga through excellence in teaching Unlike other writings about yoga the authors offer a critique of the current practice of yoga as both diminished and utilitarian while providing a path to reinvigorating the discipline based on current scientific knowledge and methods for teaching and practice Along with these theoretical perspectives and the analysis of contemporary yoga in the West the authors offer practical applications to address the challenges of teaching yoga in a society where individualism and materialism are core values Open ended exercises in reflection and experimentation offer opportunities for readers to apply what they have learned to their teaching and personal practice This is a vital guide for any yoga oriented scholar teacher or practitioner and is an essential companion for contemporary teacher training
