Getting Over Ourselves Christina Congleton, 2025-04-29 Move beyond empty life hacks to connect with your deepest humanity In *Getting Over Ourselves Moving Beyond a Culture of Burnout Loneliness and Narcissism* human development specialist and leadership coach Christina Congleton delivers an insightful and urgently needed discussion of how people can break out of the tired clichés of the self-help genre and move toward new levels of connection engagement and capacity in navigating an uncertain world In the book you'll explore how modern attitudes of individualism that were once freeing now converge with environmental destruction inequality and an alarming uptick in depression substance abuse and suicide to significantly damage the potential of people everywhere You'll also find concrete strategies rooted in developmental psychology that show us new ways to approach these challenging times *Getting Over Ourselves* offers Insights into why life hacks productivity seminars and more adulting are not the solutions to the issues faced by people today Frameworks that reject the idea that there is a separate solitary self in need of constant improvement and connect you with your deepest humanity Effective techniques for fending off burnout and ways to move beyond the unsatisfactory status quo An essential and timely work *Getting Over Ourselves* is the antidote to the skin-deep ineffective self-help material that you've been looking for

No Longer Invisible Douglas Jacobsen, Rhonda Hustedt Jacobsen, 2012-09-27 Winner of a 2013 American Educational Studies Association Critics Choice Award Drawing on conversations with hundreds of professors co-curricular educators administrators and students from institutions spanning the entire spectrum of American colleges and universities the Jacobsens illustrate how religion is constructively intertwined with the work of higher education in the twenty-first century *No Longer Invisible* documents how after decades when religion was marginalized colleges and universities are re

engaging matters of faith an educational development that is both positive and necessary Religion in contemporary American life is now incredibly complex with religious pluralism on the rise and the categories of religious and secular often blending together in a dizzying array of lifestyles and beliefs Using the categories of historic religion public religion and personal religion No Longer Invisible offers a new framework for understanding this emerging religious terrain a framework that can help colleges and universities and the students who attend them interact with religion more effectively The stakes are high Faced with escalating pressures to focus solely on job training American higher education may find that paying more careful and nuanced attention to religion is a prerequisite for preserving American higher education s longstanding commitment to personal social and civic learning
