19th Birthday Survival Guide:

A Ministry Survival Guide Lisa Elliott, 2022-04-30 A Ministry Survival Guide Straight from the Heart explores the joys and challenges of life in the spotlight of ministry. Relatable stories, survival tips, biblical mentors, and a Bible study guide provide a valuable resource for pastors, wives, women in ministry, and anyone who desires to thrive, not just survive, in the Christian life. This book will help you live a public/private life, fortify your marriage, balance family and ministry, prevent burnout, navigate transitions, manage painful relationships, grow through personal challenges, build a godly support system, discover blessings beneath burdens, and nurture your soul.

Not a Survival Guide Nicole Howes, 2025-04-12 Not a survival guide is your straight-talking parenting companion guiding you through the transition from childhood to teenage years, one conversation at a time. You will find moments of comfort, practical approaches to support your journey, and hear some home truths. Offering insight and a sense of community during what can be a challenging few years, Not a survival guide combines personal experiences and expert advice with real-life scenarios and accessible analogies. Carefully crafted to help you make the right choices for your family, encourage healthy conversations with your teen, and offer support when it all feels a bit too much. Note from the author: This book is not a survival guide. I do not believe that teenage years are there to be survived. They are there to be lived and loved, just like the other stages of parenting that you have already passed through, and those you have to come. I am not insinuating it will be an easy ride, but maybe that's part of the fun of it. Failing that, at least within the pages of this book, we are all in it together.
