One American's Story

Seventy miles south of Berlin, Joseph Polowsky and a patrol of American soldiers were scouting for signs of the Soviet army advancing from the east. As the soldiers neared the Elbe River, they saw lilacs in bloom. Polowsky later said the sight of the flowers filled them with joy.

Across the Elbe, the Americans spotted Soviet soldiers, who signaled for them to cross over. When the Americans reached the opposite bank, their joy turned to shock. They saw to their horror that the bank was covered with dead civilians, victims of bombing raids.

A PERSONAL VOICE JOSEPH POLOWSKY

"Here we are, tremendously exhilarated, and there's a sea of dead. . . . [The platoon leader] was much moved. . . . He said, 'Joe, let's make a resolution with these Russians here and also the ones on the bank: this would be an important day in the lives of the two countries.' . . . It was a solemn moment. There were tears in the eyes of most of us. . . . We embraced. We swore never to forget."

—quoted in *The Good War*

The Soviet and U.S. soldiers believed that their encounter would serve as a symbol of peace. Unfortunately, such hopes were soon dashed. After World War II, the United States and the Soviet Union emerged as rival superpowers, each strong enough to greatly influence world events.

U.S. and Soviet troops met at the Elbe River, April 1945.

American and Soviet soldiers meet (top) at the Elbe River in Germany near the end of World War II. A 1996 postage stamp (above) commemorates the historic meeting.

Former Allies Clash

The United States and the Soviet Union had very different ambitions for the future. These differences created a climate of icy tension that plunged the two countries into a bitter rivalry.

1guided Reading Origins Of The Cold War

Steve Waugh

1guided Reading Origins Of The Cold War:

The Origins of the Cold War Caroline Kennedy-Pipe, 2017-11-28 A lively and accessible new introduction to the origins and emergence of the Cold War Caroline Kennedy Pipe brings to life the clashes of ideas and personalities that led Russia and America into decades of conflict and draws out important lessons for policy and analysis in today's equally formative period in world affairs
