Handbook of Reading Disability Research Anne McGill-Franzen, Richard L. Allington, 2010-09-17 Bringing together a wide range of research on reading disabilities this comprehensive Handbook extends current discussion and thinking beyond a narrowly defined psychometric perspective Emphasizing that learning to read proficiently is a long term developmental process involving many interventions of various kinds all keyed to individual developmental needs it addresses traditional questions What is the nature or causes of reading disabilities How are reading disabilities assessed How should reading disabilities be remediated To what extent is remediation possible but from multiple or alternative perspectives Taking incursions into the broader research literature represented by linguistic and anthropological paradigms as well as psychological and educational research the volume is on the front line in exploring the relation of reading disability to learning and language to poverty and prejudice and to instruction and schooling The editors and authors are distinguished scholars with extensive research experience and publication records and numerous honors and awards from professional organizations representing the range of disciplines in the field of reading disabilities Throughout their contributions are contextualized within the framework of educators struggling to develop concrete instructional practices that meet the learning needs of the lowest achieving readers Comprehension, Grade 5 Hatfield, 2009-01-04 Comprehension is the key to

reading success Reading for Every Child Comprehension encourages fifth grade students to be stronger readers using a wide range of reading comprehension activities Reading selections from across the disciplines encourages students to understand evaluate and interpret what they read This 80 page book includes projects worksheets games and graphic organizers It supports Reading First and aligns with Common Core State Standards **First Grade Writers** Michelle Denise Haycock,1991 *Keys to the Classroom* Carrol Moran,2000-06-23 The purpose of this guide is to pass on to new teachers the keys to opening the school year successfully Providing assistance in planning for the first two weeks of school and offering a wide assortment of activities from which to choose the text guides the teacher in using the first month of school as a foundation for creating a rich learning environment for the rest of the year Classroom management the first day of school student assessment and parent communication are all covered in detail The authors also offer an approach to long term planning and provide short term minute by minute planning as well Incorporating the input of many new and veteran teachers Key to the Classroom s Second Edition offers greater detail and a more expanded format than the popular original text **There's a Writer in Our House! Strategies for Supporting and Encouraging Young Writers and Readers at Home** Ann P. Kaganoff,2024-04-11 There s a Writer in Our House is an invitation to parents of children in first grade through fifth grade interested in actively participating in their children s early literacy learning from the very first steps Founded upon well researched literacy instructional methods that have been informed by the author s clinical perspective as well as her years of experience with many kinds of learners this book provides a valuable understanding of how both writing and reading contribute to child development in multiple areas Chapters provide background concepts regarding grammar and specific critical thinking skills in both writing and reading as well as customizable child centered activities used to practice and build writing and reading comprehension skills You will learn how to advance and encourage your child s learning and communication skills by highlighting important literacy areas such as vocabulary development background knowledge and critical thinking You will also learn to recognize and track the significant developmental achievements of your child as you proceed from the early to the more complex At Home activities as well as receive strategies for how to respond and give feedback in specific situations such as when a child writes something that makes sense to the child but not to the parent how to offer feedback that identifies and labels a child s strengths and how to collaborate effectively with a child who is just developing new interests or a new willingness to try something that previously seemed hard Practical accessible and most importantly fun this book is a must read for all parents regardless of background seeking to support their children s ongoing literacy development confidently and effectively
