Classroom Authoring, Grade 1 Jima Dunigan,2008-04 **The Writing Revolution** Judith C. Hochman,Natalie Wexler,2017-07-27 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content *Jensen's Format Writing* Frode Jensen,2016-10-04 Jensen s Format Writing is concerned with developing expository writing skills for high school students This type of writing exposes puts forth explains reveals or exhibits in detail about something It has a purpose to inform clarify and perhaps even to persuade Such writing may simply describe or it may give a series of reasons In any case there is a fundamental point that is made How that point is made may often determine whether the piece is accepted or rejected Students completing this course will learn valuable skills the secret of cutting your work in half when it comes to writing a paper how to order your presentation for its most powerful effect on the reader a technique for getting the essence of what you read down on paper for future reference how to stack up your ideas so that they flow together in a natural fashion how to move ideas from sentence to sentence by following a simple rule all about what and how to document your sources when doing research and writing **How Well Does Your Child Read, Write, and Do Math?** Ann Cook,2004-09 The essential information contained on these pages reveals the truth about how a child is really performing in the classroom Concerned parents can find the answers to What is my child s learning style auditory visual or tactile Is my child s reading ability at grade level What are the national standards in writing at my child s grade level Does my child have special abilities in math This easy to use manual is a roadmap to academic success All parents who want their children to succeed in school need to read this book **The Instructor Plan Books for All the Grades** Florence Rae Signor,1926 **The Teacher Clarity Playbook, Grades K-12** Douglas Fisher,Nancy Frey,Olivia Amador,Joseph Assof,2021-02-24 Watch An Introduction to the Teacher Clarity Playbook On a clear day you can learn forever
