in love is not a very frequent thing Sometimes we just take mere attractions as love And such considerations have no future come what may Before you decide anything just listen to your heart first Can t we wait for the right person why cannot you keep that feeling special only for him It is certain that he has to become a part of your life all we need is to give some time to our relationships Once you are in love nothing on this earth can make you change your mind As it s not the mind but our heart that comes up and takes the decision Love is when you don t know why you seem to be attracted to that person I believe there is a reason for it but the reason is still unknown **Resources in Education** ,1998-04 *Altogether Book 1*
