Forbes,1999-02-01 This comprehensive annotated multivolume bibliography is a record of all printed works touching on some
aspect of the political religious cultural or social history of the Hawaiian Islands from the first printed notice mentioning the
Islands in a German periodical of January 1780 to the beginning of the twentieth century when the Islands ceased to be a
separate political entity Volume I covers the period from 1780 to 1830 when exploratory voyages to the northern Pacific had
largely concluded and the arrival of improved printing equipment in the Islands resulted in a substantial increase in the
number of works printed by the Mission Press in Honolulu In addition to books and pamphlets the bibliography includes
newspaper and periodical accounts and single sheet publications such as broadsides circulars playbills and handbills because
they often contain the only eyewitness or contemporary description of an important event or individual Entries pertaining to
Captain Cook s Third Voyage dominate the first twenty years of the bibliography They reflect the profound impact of the
voyage on both the Hawaiian culture and on nineteenth century European thought Extensive annotations provide a brief
summary of approximately 760 published works in the first volume of the bibliography All known editions of each work are
listed together with the exact title date of publication size of the volume collation of pages number and type of plates and
maps references and location of copies The bibliography will be invaluable to scholars librarians rare book sellers and book
