Augustine and Nicene Theology Rene Barnes, 2024-01-25 In this collection of essays Michel Rene Barnes offers a new reading of the character and development of Latin Trinitarian theology in the fourth and fifth centuries Although Augustine is the principal focus he is treated here as an inheritor of an earlier Latin tradition Antecedent theologians most notably including Marius Victorinus are given a revised interpretation and Augustine himself is explored from multiple angles At every turn developments in Augustine s thought are shown to be a response to the anti Nicene theologies of the period Most significantly this view decries the modern systematic tendency to engage with Augustine only through a simplified version of late nineteenth century categories This accusation invites the question of how far modern theology can actually engage with Patristic theology at all but Barnes offers a way forward **The ABC of Sunday Matters** Mark O'Brien, 2013-10-01 This book provides reflections on the Sunday Bible readings in the Roman Catholic Lectionary for Years A B and C of the liturgical cycle They previously appeared in separate volumes of Sunday Matters published by ATF Theology in the Dominican Series They have now been combined in this single volume colour coded for easier use and with a revised general introduction and introduction to the Gospel of Matthew Like the previous volumes this one is intended to assist those preparing homilies and those with a desire to understand a little more deeply the readings used in the Sunday liturgy The Discovery of Mans Returne to his First Estate by the Operation of the Power of God in the Great Work of Regeneration. With a word to all saints, who set their faces towards Sion to seek the Lord their God, etc William Dewsbury, 1659 The Heart of God Revealed; The Door is Always Open Christa Erario, 2018-07-17 This is a book of instruction and insights by the inspiration of the Holy Spirit on how to live victoriously in these end times and gives a small glimpse of what is going to happen before Jesus s second coming It is also a plea from our Heavenly Father s merciful heart to save all peoples This is my word to my people that they may hear and know how to live according to my word the Bible and know that I will be with them through all that is to come before my second coming which is going to happen soon How to live and act in expectation of my kingdom which is coming

down to earth more and more My will for my people is this that they live in me and act according to the leading and guidance of the Holy Spirit and in acceptance of my great gift to all peoples my Son Jesus Christ This is my plea to all peoples for their salvation Accept my great and oh so costly gift my Son Jesus Christ before it is too late I want no one lost Time is short Believe and come to us The choice is yours

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Luther League Review, 1911 *Christian Ethics Two Volumes in One Revised* Dr. Adolf Wuttke, Abiding in the Doctrine of Christ Owete S. Owete, 2014-12-27 Abiding in the Doctrine of Christ is a Bible study book on the first principles of the word of God It covers several topics including scriptural authority the new life in Christ the church and faithful service to the Lord with review exercises at the end of each chapter The book is a must have for babes in Christ who should crave the pure milk of the word to be grounded in the doctrine of Christ It is written in a form that facilitates open minded reasoning even on long held views It is my belief that congregations should periodically provide fundamentals class to edify and equip brethren for acceptable worship and service in the Lord The book is ideal for individual studies and group Bible classes
