

Overview

Night by Elie Wiesel, is a memoir recounting the author's experience in the Nazi concentration camps of Auschwitz, Chelmitz, and Buchenwald during the last two years of World War II. The book was published in France in 1958, a shortened English translation was published in the United States in 1960.

In 1944, the 15-year-old Wiesel, his father, mother, and sisters were deported from the village of Sighet in Hungary and interned at the Auschwitz-Birkenau concentration camp in Poland. Eliezer was the only member of the family to survive the Holocaust. He moved to Paris after the war, where he began to write an account of his experience in the camps in Yiddish. While ostensibly a memoir, *Night* is also a literary work of art and some critics have cautioned that its biographical factuality remains difficult to determine. Reviewers have variously categorized the book as a semi-fictional memoir, an autobiographical novel, or a non-fictional novel. The book's publication was a watershed moment in Holocaust literature, and it has been translated into thirty languages.

In the village of Sighet in Transylvania, the east of Hungary, 12-year-old Elie Wiesel is absorbed in studying Jewish law and theological philosophy. The only son of orthodox Jewish parents, Eliezer studies the Talmud, a text of esoteric Jewish wisdom, with Moshe the Beadle, the custodian of a local synagogue. Moshe is expelled from Sighet along with other foreign Jews, but returns to the village a few months later, claiming to have escaped a mass killing of the deported Jews by the Germans. The villagers ignore Moshe's warnings as insane ramblings. After the Nazis occupy Hungary in the spring of 1944, the Jews of Sighet suffer mounting persecution and are eventually moved into ghettos. Within a few weeks, the ghettos are shut down and the Jews are deported by train. Eliezer's family is among the last group to be deported.

The deportees travel in miserable conditions aboard cattle cars for several days, crossing the Hungarian border into Poland, where the train comes under the authority of the German army. A German officer orders the passengers to surrender any gold, silver, or watches they still possess, and an announcement is made that if anyone attempts to escape the train, all its occupants will be shot.

A few days into the journey, Madame Schuster, a middle-aged deportee with a young son,
