another side effect This is going to be your way of living for the rest of your life However if you eat natural medicines you are never going to suffer from any sort of side effects That is because natural products are more tuned to your body s systems and natural needs than chemical drugs are Say no to chemical drugs as far as possible For all those who have read Lloyd C Douglas Magnificent Obsession and liked it Mr Douglas had some more words spoken by another of his popular characters in Disputed Passage That doctor said something on the lines of it is not our duty to just cure the body We have to cure the mind and spirit too and heal them much to the disgust of doctor Tubby Forrester who considered every human to be a machine which needed to be put right and where did emotions and spirit and soul come into this curing process At the end of the story Dr Forrester had to accept the fact that human beings had to be treated by doctors who understood their psychological mental spiritual and emotional makeup Unfortunately this is not being done today because doctors are harried and have to see a number of patients till the end of a day *Weekly World News* ,1998-10-20 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Handy Household Hints and Recipes ,1916 Recipes for Flint Glass Making ,1907
