and the Art of Business Mark McNeilly, 2008-01-18 George Washington ranks as one of the great military leaders in history. The character traits he exemplified and the leadership skills he employed enabled him to defeat what was then the world's most powerful nation. In this marvelous book Mark McNeilly shows today's managers how they can learn from Washington's career both his triumphs and setbacks to succeed as leaders in their chosen field. McNeilly paints vivid portraits of some of the crucial moments in Washington's military career from the early debacle on Long Island Heights to the masterstroke at Trenton. There Washington aided by his use of intelligence and disinformation and by his great fortitude in the face of truly daunting conditions routed the Hessians. McNeilly uses these stirring military encounters to underscore Washington's managerial genius to persuade and inspire to open up the decision making process to seize opportunities when they arise to persevere when setbacks occurred and to learn from his mistakes. Indeed the true value of the book lies in McNeilly's brilliant ability to link military and business strategy revealing that successful corporate leaders must possess many of the same traits that Washington did. Using examples from the NFL, Cadillac, Coke, Samsung, Embraer, IBM and others, McNeilly shows how business leaders can apply Washington's principles for success. Blending colorful military and business history with crystal clear commentary, *George Washington and the Art of Business* belongs on the shelves of all executives who want to hone their leadership skills.

Filling the Void P.D. Kew, 2012-10-26 Mitch is a Time Walker about to make his jump from one assignment to the next. The only problem is that the entire infiniteverse is falling apart due to the unscrupulous machinations of the yellow ochre trenchies and their nefarious leader Dr Hodge. Mitch must overcome not only the trenchies but also the dysfunctional bureaucracy of his own organization as he is on the run from Idaho to Oregon to San Francisco to the Brooks Range in Alaska. His memory of past assignments in various points of history comfort him and challenge him to complete his mission. His success depends on his commitment to the Time Walker's most sacred credo: Be yourself. House Beautiful, *Lemon-Aid New and Used Cars and Trucks 2007-2018* Phil Edmonston, 2018-02-03 Steers buyers through the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market. Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches.
