2010 F350 Harley Davidson Edition:

Righteous Insurrection Robert E. West, 2010-10-11 Jake Romely is an honest man who has always prided himself on his integrity. A long time employee and hard worker, he has grown tired of the immoral practices that often occur in his company. On a day when he is questioning everything in his life, a terrorist attack sends his country into a spiral of despair and gluttony. As he witnesses greed that strips away citizens' rights, Jake decides to launch an ethical battle that will eventually turn his life upside down. Even though he is a full-blown alcoholic, Jake still harbors resentment against a powerful industry that markets liquor to America's youth. In an ironic twist of fate, Jake is chairman of a youth drug awareness committee and is certain that he can obtain support for his new campaign that promotes limiting the promotion of alcohol. But when he realizes the government has its own agenda, he files a federal lawsuit against corrupted officials. As he goes underground and meets others whose lives have been negatively impacted by unwarranted government actions, Jake seeks a peaceful retribution that may unfortunately come with a hefty personal price.
