## Valve Clearance Inspection And Adjustment

### NOTICE

Inspect and adjust the valve clearance when the engine is cold (30°C ambient temperature) installed on the cylinder block.

### WARNING

In case of removing the high-pressure fuel pump, high-pressure fuel may be leaked. To prevent any injury, wear safety glasses, and inspect, there may be injury.

1. Remove the cylinder head cover.
2. Set No. 1 cylinder to TDC (compression).
3. Turn the crankshaft pulley and align the timing mark "T" of the lower timing chain cover.

Remove the timing chain cover.  
(Refer to Timing System - "Timing Chain Cover")

- a) Check that the TDC marks (1) of the CAMT sprockets are in straight line on the cylinder head surface as shown in the illustration.

If not, turn the crankshaft one revolution (360°).

5. Inspect the valve clearance.

(1) Check only the valve indicated as shown. Measure the valve clearance.

A Guide to Organ Music Viktor Lukas, 1989 This selective critical survey of organ literature from Hofhaimer and Paumann to the present day is a useful guide both for the organist seeking repertoire and for the listener looking for brief analyses of

organ works encountered in recitals or on record It has been a standard work in Germany for more than a generation appearing in five editions It is now translated into English for the first time Organists in the English speaking countries will find the author s continental perspective of particular interest as he treats fully many significant composers Hermann Grabner Willy Burkhard G nter Raphael and Joseph Ahrens are only a few examples whose works are frequently performed in Germany yet remain almost unknown in America and England This guide may therefore suggest a largely unexplored realm of music written for the classically oriented instrument that awaits the adventurous organist The chronological survey of composers treats all of the standard repertoire by familiar composers and includes as well some works by composers too little known Johann Ernst Eberlin and Bohuslav Cernohorsky in the 18th century and Gustav Merkel in the 19th are examples This edition includes addenda on British and American organ music by the well known American organist Lee Garrett expanding the scope of Lukas s work Musical examples show principal themes of selected works and publishers are listed for each composer Dust jacket
