Range Rover Specification Guide James Taylor,2024-06-14 This book is designed to give guidance on the original ex factory specifications of the first generation Range Rovers built between 1970 and 1996 Sometimes known as Range Rover Classics although the only ones properly so called were built after autumn 1994 these models laid the foundations for the following generations of Land Rover s world acclaimed Range Rover Many of these early Range Rovers fell on hard times as they passed on to third fourth and subsequent owners Many were butchered beyond recognition when converted into off road playthings But now more than a quarter of a century since the last examples were built it is no surprise that enthusiasts have begun to restore examples to their original condition This has created a demand for accurate information about what that original condition actually was James Taylor has trawled painstakingly through original documents and examined original vehicles to put together all the known facts in one place This guide will be essential reading for everyone with an interest in restoring or running one of these iconic models that became the foundation of today s Land Rover marque *The Autocar* ,1987 **British Leyland** James Taylor,2018-03-26 In 1968 British Leyland brought together many of Britain s motor manufacturers with the intention of creating a robust unified group that could equal the strength of the big European

conglomerates But this was not to be There have been many books about the politics and the business activities of British Leyland but British Leyland The Cars 1968-1986 looks exclusively at the cars that came from the company both the models it inherited and those it created The eighteen years of the corporation's existence saw a confusing multitude of different car types but this book resolves these confusions clarifying who built what and when The book takes 1986 as its cut off point because this was the year that the old British Leyland ceased to exist and what was left of the car and light commercial business was renamed the Rover Group The book includes Production histories and technical specifications of every major model The special overseas models Appendices on engines code names and factories Buying guidance on the models built in Britain This is the most comprehensive book so far to focus on the cars from British Leyland between 1968-1986 and it provides an overview of each model's production history together with essential specification details It is profusely illustrated with 178 colour and 63 b/w photographs
