*Homeland* Richard Beck, 2025-03-11 For twenty years after September 11 the war on terror was simultaneously everywhere and nowhere With all of the military violence occurring overseas Americans found themselves living in two worlds at the same time In one of them soldiers fought abroad so that nothing at home would have to change at all In the other life in the United States took on all kinds of unfamiliar shapes altering people s sense of themselves their neighbours and the strangers they sat next to on aeroplanes In a fascinating and exhaustive account of the meaning of twenty first century America Richard Beck delivers a gripping exploration of the transformation of American life wrought by the war He describes sports stadiums fortified to look like military bases The surging sales of guns SUVs and pickup trucks The racism and xeno phobia the erosion of free speech and the normalisation of mass surveillance Beck searchingly asks why those Americans who excused the worst abuses of the war on terror also had the easiest time understanding themselves as patriots The war fuelled an impunity culture he argues that came to a head with Trump s rise to power To see America through the lens of *Homeland* is to understand the country like never before
