MOTION PICTURE STARRING JASON SEGAL AND JESSE EISENBERG DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace by turns funny and inspiring based on a five day trip with award winning writer David Lipsky during Wallace's Infinite Jest tour In David Lipsky's view David Foster Wallace was the best young writer in America Wallace's pieces for Harper's magazine in the 90s were according to Lipsky like hearing for the first time the brain voice of everybody I knew Here was how we all talked experienced thought It was like smelling the damp in the air seeing the first flash from a storm a mile away You knew something gigantic was coming Then Rolling Stone sent Lipsky to join Wallace on the last leg of his book tour for Infinite Jest the novel that made him internationally famous They lose to each other at chess They get iced in at an airport They dash to Chicago to catch a make up flight They endure a terrible reader's escort in Minneapolis Wallace does a reading a signing an NPR appearance Wallace gives in and imbibes titanic amounts of hotel television what he calls an orgy of spectation They fly back to Illinois drive home walk Wallace's dogs Amid these everyday events Wallace tells Lipsky remarkable things everything he can about his life how he feels what he thinks what terrifies and fascinates and confounds him in the writing voice Lipsky had come to love Lipsky took notes stopped envying him and came to feel about him that grateful awake feeling the same way he felt about Infinite Jest Then Lipsky heads to the airport and Wallace goes to a dance at a Baptist church A biography in five days Although Of Course You End Up Becoming Yourself is David Foster Wallace as few experienced this great American writer Told in his own words here is Wallace's own story and his astonishing humane alert way of looking at the world here are stories of being a young writer of being young generally trying to knit together your ideas of who you should be and who other people expect you to be and of being young in March of 1996 And of what it was like to be with and as he tells it what it was like to become David Foster Wallace If you can think of times in your life that you've treated people with extraordinary decency and love and pure uninterested concern just because they were valuable as human beings The ability to do that with ourselves To treat ourselves the way we would treat a really good precious friend Or a tiny child of ours that we absolutely loved more than life itself And I think it's probably possible to achieve that I think part of the job we're here for is to learn how to do it I know that sounds a little pious David Foster Wallace *Automotive Engineering International* ,2002-07 Kiplinger's Personal Finance ,2010 **Kiplinger's Personal Finance Magazine** ,2010
