Bowman Jr.,J. Ed Komoszewski ,2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as

a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

Lewis C. Sheafe Douglas Morgan,2010 Born Just as the Civil War Began Lewis Sheafe grew to manhood at a pivotal moment in American history But instead of racial equality the nation offered its freed slaves further oppression and injustice Sheafe strong willed dynamic and seemingly tireless had but two main objectives Uplift his people spiritually and socially and consistently adhere to biblical principle in all aspects of life His thirst for truth led him first to the Baptists where he became both an eloquent minister and a prominent leader of the Black community Then his poor health led him to Battle Creek Sanitarium where he encountered Seventh day Adventism Sheafe saw in the Adventist message the tenets of race relations he already championed and he embraced it wholeheartedly He was sent to lead the Black work in Washington D C in 1902 and his evangelistic campaigns drew standing room only crowds of both Black and White listeners But during his turbulent years of Adventist ministry he and church leaders could not agree on how to apply biblical principles of racial equality The conflict eventually proved fatal to his ties with the denomination In this gripping biography Douglas Morgan pieces together the life of this forgotten leader whose story sheds light on the reason that no lasting separate Black Adventist denomination ever formed Book jacket *Armor*,2012 **Food, Cuisine, and Cultural Competency for Culinary, Hospitality, and Nutrition Professionals** Sari Edelstein,2010-04-01 Food Cuisine and Cultural Competency for Culinary Hospitality and Nutrition Professionals comprehensively covers unique food traditions as they apply to health The text explores the critical importance of cultural sensitivity and competency in today s work setting addresses health literacy issues of diverse client bases and helps readers identify customer communication techniques that enable professionals to establish trust with clients of ethnicity not their own Written and peer reviewed by experts in the culture discussed each chapter in this groundbreaking text covers a distinct region or culture and discusses the various contexts that contribute to nutrition and health lifestyles eating patterns ethnic foods menu planning communication verbal and non verbal and more This book is consistent with The American Dietetic Association s Cultural Competence Strategic Plan Broken Stick Eileen E. Lantry,2010 Norman Ferris stood his ground as a group of 40 or 50 Bellonses warriors held their spears high and thundered across the sacred beach toward him He had come to this remote island to tell the devil worshipers about the one true God and he wasnt leaving until

he did so Norman wasn't afraid to die and he wasn't afraid to live either In 1927 fully aware of the dangers awaiting them he and his wife Ruby sailed to the Solomon Islands only a year and a half after their marriage Daunting trials and challenges would follow but so would profound spiritual victories and miraculous answers to prayer Actually this isn't just the story of two courageous missionaries from Australia This book is full of stories about the incredible power of God in the lives of all those who choose to follow Him because somebody loved them enough to tell them Head hunting devil priests included
