Am I a Redundant Human Being?

Mela Hartwig,2010 Aloisia Schmidt is an ordinary secretary with a burning question am I a redundant human being She s neither pretty nor ugly though she wishes she were hideous at least that would be something has no imagination and is forced to live vicariously through borrowed fantasy fantasy that is borrowed from books plays even other people s lives She loves to hate herself and loves for other people to

hate her too In one final guilt ridden masturbatory self obsessed confession Aloisia indulges her masochistic tendencies to the fullest putting her entire life on trial and trying through telling her story a story she assures us that s so laughably mundane it s really no story at all to transform an ordinary life into something extraordinary **Friction** Eloy Urroz Kanan,2010 A series of comic events engulf a university town **A Philosophy of Evil** Lars Fr. H. Svendsen,2010 Svendsen has a way with words and unlike many writers of philosophy books is also blessed with a sly wit and a thorough knowledge of popular culture Phil Miller The Glasgow Herald **The Collaborators** Pierre Siniac,2010 A noir set in the seediest backwaters of the French publishing industry The Collaborators tells the story of a hapless drifter who after years of not particularly heroic effort finally manages to write a book A good book A bad book Well it s complicated and soon the complications he s set in motion spiral entirely out of control Praised by Pierre Bayard in How to Talk About Books You Haven t Read and finally available in English by one of our greatest translators The Collaborators is both a sinister thriller and a comedy of outrageous proportions Under the title Ferdinaud Celine The Collaborators was published in French in 1997 to great acclaim *Arriving in Avignon* Daniël Robberechts,2010 The Flemish writer Dani l Robberechts 1937 1992 refused to identify his books as novels stories or essays according them all equal status as simply writing This liberation from genre gives his work for all its apparent simplicity an elusive hypnotic quality and no more so than in his debut *Arriving in Avignon* which records a young man s first encounter with that labyrinthine city and his likewise meandering relationship with a girl from his home town and indeed virtually every woman he meets Hesitant and cautious unable quite to enter nor turn away the young man seems to circle Avignon endlessly in the process attempting to delay his inevitable descent into maturity and monogamy What seems at first like a cross between a memoir and a guidebook comes in time to be the story of a young man s dogged yet futile quest to know his own mind unless it s the ancient city of Avignon itself that is our real protagonist a mystery that can be approached but never wholly solved **After Modernity** Rodney Harrison,John Schofield,2010-07-22 Rodney Harrison and John Schofield explore how archaeology can inform the study of our own society and other late modern societies through detailed case studies and a summary of the existing literature They draw together cross disciplinary perspectives and develop a new agenda for the study of the materiality of contemporary societies **Alix's Journal** Alix Cléo Roubaud,2010 Moving fragile and intimate Alix s Journal is a unique testament to a great artist lost before her time

The Union Sixth Army Corps in the Chancellorsville Campaign Philip W. Parsons,2010-09-14 The winter of 1862 1863 found the Union Army of the Potomac in sad shape after bloody battles multiple defeats lack of adequate provisions and high desertion rates When Major General Joseph Hooker took command he set about revamping conditions Instructed by President Lincoln to make the destruction of General Lee s Army of Northern Virginia the Union s top priority Hooker mounted the Chancellorsville Campaign Lee s aggressive battlefield manner coupled with Hooker s failure to initiate an assault led to a sound defeat by Confederate forces and left Hooker who ultimately had only himself and his lack of initiative

to blame looking for a scapegoat Among those Hooker attempted to hold responsible was the courageous Sixth Army Corps Major General John Sedgwick commanding the unit responsible for the sole Union victory of the entire campaign This history of the battlefield engagements of the Sixth Army Corps on May 3 and 4 1863 is compiled from contemporary accounts and a variety of postwar histories *Using Technology to Combat Diseases and Help People With Disabilities* Francisco José García-Peñalvo, Henriëtte Geralde Van der Roest, Giovanni Ottoboni, 2022-04-04
