REKETTYE, Jonathan Liu, 2018-05-23 *Pricing The New Frontier* by Gábor REKETTYE and Jonathan LIU. Published May 2018. The importance of pricing and price management is growing all over the world primarily due to the turbulent economic situation, accelerating technological development, the saturation of markets and the globalization of competition. All these trends affect the achievement of company objectives. Pricing and price management in a context that differs greatly from what has been known before. In developing and fast moving economies like India, getting the pricing strategy right is a necessity for the short and long term future of the firm. The pricing decision will impact on the profitability and ultimately on the performance of the firm. Executives and managers responsible for making pricing decisions will find this book useful and informative in shedding light on an area that is complicated and complex. Dr. M. K. Nandakumar, Associate Professor of Strategic Management, Indian Institute of Management, Kozhikode, India. Leading technological development across the world requires an in-depth understanding of the impact of the pricing decision and business strategy. This book will give its readers a clear understanding of the impact of the pricing decision on the industry, the customer and its competitors. I fully recommend and endorse this book. Jeff C. K. Lim, BU Deputy CEO at ASM Pacific Technology Ltd, Singapore. Pricing of goods and services is a critical decision that creates immediate competitive advantage. This book explains the principles of pricing clearly and concisely. It seamlessly knits concept and practice. It is a useful text book but also useful to practicing managers charged with the challenging task of pricing goods and services. I strongly recommend the book to practitioners and students. Professor Abby Ghobadian, FBAM, FAcSS, CCMi, Professor of Management, Henley Business School, United Kingdom. At a time when almost continuous change is disrupting nearly all industries and the internet is putting ever more power in the hands of the customer, a book that treats pricing with substance and foresight is a welcome addition to the market. Professor John R. Schermerhorn Jr., O. Blenness Professor Emeritus, Ohio University, United States. In contemporary business, pricing is much more than just the money equivalent of the product value. This book provides a high quality review of different concepts and issues.
