- 1 (a) Imagine that you are the caretaker of Fahari Children's Home in Bahati. There is a heavy storm one evening. After the storm you discover that one of the children is missing. The child is hearing impaired (deaf). Write a **notice** appealing to the public for help to trace the child. There will be a handsome reward for information that will help locate the child. (10 marks)
- (b) Three days later, you receive a telephone call from the local police station informing you that the child has been found. Write a **thank you note** to the person who found and brought the child to the police station, giving details of how he/she will receive the reward. (10 marks)
- 2 *Read the passage below and fill in each blank space with an appropriate word.* (10 marks)

When people hurt you, should you lash out at them 1 give them a piece of your 2? There are those that argue that 3 your emotions is much better than suppressing them. Perhaps the 4 lies in between.

What most people would readily agree 5 is the fact that it is 6 to run away from the cause of your hurt because 7 is likely to breed resentment. Imagine that your cubemate in the dormitory has 8 damaged your reputation by telling blatant lies about you. Instead of 9 him or her to settle the matter, you move to the 10 cubicle. You may feel better for some time, but what if the teacher puts the two of you in a discussion group?
