**The Redeeming: A Paranormal Romance Novel** Jennifer Ashley, 2014-01-20 For seven hundred years the Immortal warrior Tain was held captive and tortured by a powerful demon and retreated into madness to escape his pain. Set free by his brothers, Tain has wandered the world but he is drawn to Los Angeles, a city divided by demon lords and vampire masters. The death magic creatures barely kept in line by strict rules and the paranormal police. Samantha Taylor, detective in the paranormal division, is committed to bringing down demons and vampires who turn too many victims. Her stakeout of a demon club is blown by the appearance of a man with amazing power who kills the attacking demons with one burst of magic. Samantha is shocked to see the man is Tain, the Immortal she helped rescue whose healing touch burns her. Tain is back and he needs Samantha's help. Young demon women are being murdered and though Tain has no love for demons, he recognizes that they are innocents. He is also powerfully drawn to Samantha, a half demon, and fears his pull to her means he hasn't healed from his ordeal. Tain reveals to Samantha more about herself than she is comfortable knowing but though she is falling for Tain, she knows he'll never allow himself to be tied to demonkind again. When the killer endangers them both as well as people they love, Tain and Samantha must solve the case together and fight the growing powerful attraction between them. A battle they are steadily losing. Welcome back to the world of the Immortals where vamps, shifters, demons, witches, and Immortals warriors exist in the real world and the forces of life magic and death magic struggle for balance. **The Redeeming** is a full length novel of 100,000 words which can be read as a standalone.

**Forbidden Taste: A Paranormal Vampire Romance** Jennifer Ashley, 2017-01-03 Being a low level telepath for the paranormal division of the LAPD means Mariah is given all the crap jobs. Her assignment today is to search out a vampire buried deep beneath a newly renovated vampire club and figure out what to do with him. She senses the vamp is an Old One, an ancient being from the dawn of time. She needs to take him in and turn him over to those up the food chain as quickly as possible because letting a vamp come too close will drain Mariah of her powers and render her helpless against the death magic creatures. It's her job to pursue Cai who's been in dark sleep since his enemies buried him a few centuries ago. Cai emerges into a brand new world. His rescuer is a beautiful human woman who becomes his only link to understanding this city of metal and concrete with its rules to keep vampires in check. No more hunting vamps to the death, now vampires are regulated, restricted, all but muzzled. Mariah understands his distance from the world because she experiences the same disconnection. Cai hopes to make her his own but he soon learns that touching her will hurt her more than he can stand. Cai has already lost everyone dear to him and refuses to lose her as well. But when danger comes, the only choices he can make are heartbreaking ones.

**The Calling: A Paranormal Romance** Jennifer Ashley, 2014-01-20 A USA Today bestselling novel. Amber has never heard of the Immortals, ancient warriors who come to the aid of those beleaguered by vampires, werewolves, or demons summoned by the Calling spell. She only learns about them when one crashes into the deserted warehouse where she is fighting the demon who murdered her sister and

proceeds to beat back the demon and destroy every single one of Amber's protective spells. Adrian, the oldest Immortal, is intrigued by the lone young woman trying to face an ancient demon, an Old One. He saves her life and takes her home, wanting to know more about her and the story of her sister's quest and death. He discovers that Amber's sister had found Adrian's brother Tain, lost for seven hundred years, and has left clues as to where to seek him. Adrian wants to leave Amber behind out of danger as he searches for Tain, but Amber sticks to him, needing to know the truth about what happened to her sister. She is also drawn to this hard-edged man in the leather coat who looks more like a biker than an ancient warrior and finds herself falling for his dark eyes, warm voice, and incredible magic. Together they begin their quest, traveling to Los Angeles to consult with a vampire master and a dragon, then into the wilderness to continue the search. They discover that their quest goes far beyond finding Tain or confronting the demon; the problem touches the edge of a far greater plan that puts the entire world in danger. Only the Immortals, all of them together, can hope to stop it. The danger to Adrian is even greater; he has found his soul mate in the warm-hearted Amber, and he'll do anything to keep her safe.
