The Routledge Companion to Air Transport Management Nigel Halpern, Anne Graham, 2018-01-31 The Routledge Companion to Air Transport Management provides a comprehensive up to date review of air transport management research and literature. This exciting new handbook provides a unique repository of current knowledge and critical debate with an international focus considering both developed and emerging markets and covering key sectors of the air transport industry. The companion consists of 25 chapters that are written by 39 leading researchers, scholars and industry experts based at universities, research institutes and air transport companies and organisations in 12 different countries in Africa, Asia, Pacific, Europe and North America to provide a definitive trustworthy resource. The international team of contributors have proven experience of research and publication in their specialist areas and contribute to this companion by drawing upon research published mainly in academic, industry and government sources. This seminal companion is a vital resource for researchers, scholars and students of air transport management. It is organised into three parts: current state of the air transport sectors; Part I: application of management disciplines to airlines and airports; Part II: and key selected themes; Part III. *Routledge Handbook of Hospitality Marketing* Dogan Gursoy, 2017-10-02 This handbook analyzes the main issues in the field of hospitality marketing by focusing on past, present and future challenges and trends from a multidisciplinary global perspective. The book uniquely combines both theoretical and practical approaches in debating some of the most important marketing issues faced by the hospitality industry. Parts I and II define and examine the main hospitality marketing concepts and methodologies. Part III offers a comprehensive review of the development of hospitality marketing over the years. The remaining parts IV-IX address key cutting edge marketing issues such as innovation in hospitality, sustainability, social media, peer to peer applications, Web 3.0 etc in a wide variety of hospitality settings. In addition, this book provides a platform for debate and critical evaluation that enables the reader to learn from the industry's past mistakes as well as future opportunities. The handbook is international in its constitution as it attempts to examine marketing issues, challenges and trends globally drawing on the knowledge of experts from around the world. Because of the nature of hospitality which often makes it inseparable from other industries such as tourism, events, sports and even retail, the book has a multidisciplinary approach that will appeal to these disciplines as well as others including management, human resources, technology, consumer behavior and anthropology. *Media & Entertainment Law* Ursula Smartt, 2017-02-03 Media Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industries both in terms of its practical application and its theoretical framework providing a broad and comprehensive coverage of these fast changing branches of the law. Fully restructured to complement how media law is taught today in the digital age, this third edition explores recent updates in the law including the outcomes of the Google Spain case and the right to be forgotten, the use of drones in breach of privacy laws, internet libel and the boundaries of media freedom and press regulation following the Leveson inquiry. Media

Entertainment Law uses the most up to date authorities to explore privacy and confidentiality subjects such as the Prince Charles black spider letters the Maximilian Schrems and the celebrity superinjunction PJS v Newsgroup Newspapers cases The book also covers defamation contempt of court and freedom of information plus Scots law New to this edition A brand new chapter is dedicated to exploring technology and the media including contemporary issues such as the dark web the surveillance state internet censorship and the law and social media including bloggers vloggers and tweeters The chapters on regulatory authorities have been expanded to provide greater clarification and explanation of broadcasting press and advertising regulation including the protection of journalistic sources and comparisons with EU Law The chapter on intellectual property and entertainment law has been streamlined to match media law courses more effectively This text provides students with detailed coverage of the key principles cases and legislation as well as a critical analysis of this vibrant subject
