WATCHWORD What really means ENS HUNGARY There is a BEING OF HUNGARY Or an ENS of Hungary A maximal generalities of Hungary History as Being Hungary as ENS Hungary A synthesis of Eurasia history of wandering and settlement of a people of a folk of a nation through which the history is meeting the history itself overlapping into a dimension of destiny Generally speaking Yes The ENS itself is a Being coming from Sapiens being the last syllable out of three syllabic SA PI ENS Therefore ENS HUNGARY is an essence and existence of Hungary as country as nation as folk as land as aspiration as hopes as destiny as endlessly dramatic events undergone within its own history and historiology confronting adversities over adversities for its own recognition into European and World existence Once again it is to underline Ens Hungary through its own Hungary by allowing thus to an individual the present author to be placed inside of events and dramas of Hungary as Being of Hungary as Ens Being of Hungary exploring and reexploring the destiny of this country land out of Eastern and Central Europe But we are under pressure in rethinking and um thinking of the whole of the European Union history and historiology after big waves of union s earthquakes by mentioning here the big financial crisis between 2008 2010 or the Brexit of Great Britain an embittered fought inside of the European Union between the years 2016 and the present year of 2023 by underlining here the critical relationship of Hungary with European Union It is not mentioned here the waves of migrants in the last twenty years towards European Union with Hungary in opposition

standpoint or Corona dramas waves by mentioning here the Hungarian Nobel price research Katalin Korika from Budapest who has great results on mtMitochondrion By retaking de Corona dramas through which a world of social pathology is accompanied and enhanced by a dramatic pandemic s world of biologic pathology this one being one of the worst issues of viral disease out breaking in the year 2020 having catastrophic consequences over European Union in its totality Also we will remake another configuration of the initial CONSTITUTION OF EUROPE with Hungary in fight for national proud written and rewritten published and republished with about 15 years ago resembling a parallel dialectical becoming between a finisher and a re finisher in constitution or between an influencer and re influencer in social sciences Terminology of different constitutions will be different in their substance and their semantics and meaning reflecting the difference in temporality and creativity of the author but the basic principles of ethics and morality are into the both constitutions the sameness If European Union enhanced with controversial Hungary needs a constitution then European Union must know very well the history of Europe itself must know their inhabitants the native the people and the citizens of Europe including those of Hungary including the science and technology of Europe including those coming from Hungary including the art and religions of Europe without to underestimate Hungary including the geography and demography of Europe an European Hungary since the oldest times of Upper Paleolithic of Neolithic of Antiquity of Middle Age of Renaissance of Enlightenment of Modern Times and of present Third Millennium Times all in detail all in reality all in morality and rationality including here the ideologies the irrationality and tragedies of Europe including here Hungary culminating in 20th century with two world wars with Hungary into the middle of tragedies More than that our Constitution of European Union is desired to be and to become a pilot project in searching and researching in anthropo sapientology a vector of axiological and epistemological substance in knowledge and discoveries in theology and psychologies without to avoid Hungary It is the first time in Human Known History and Historiology as logos of history as reasoning of history as wisdom of history when a Constitution is becoming also a vector of knowledge an epistemological vector sensing and re sensing a searching and researching study project in Antropos Sapientology finally a form of concrete axiology in motion and emotion a substantial gnoseology having an explicit and implicit proper function of ethnology in oneself for oneself and through oneself through which Hungary is looking at its own history and historiology regaining itself out of earthquakes of history A country a nation a folk a people needs to be studied in its deep structures of ethnology and history of its difficulties and adversities throughout its own history without to be condemn without of being aware about its own philosophical psychological and theological structures and substructures A country a nation a folk a people needs to be understood in its own traditionally characteristics by rethinking everything in its history and historiology which is the core issue regarding these set of four On Line books named ENS HUNGARY Here s the ENS HUNGARY 3 [Program 120 Female Handbook B](#) Danny Purser,2015-08-26 Program120 Female B Handbook on Preventive Medicine A condensed version of the last half on the benefit of hormones of his famous

Program 120 textbook on disease prevention in this book Dr Purser a pituitary endocrinology researcher lecturer and author discusses normal lab values in women He addresses proper testing diagnosis and hormone replacement therapy for hormones such as somatropin testosterone thyroid melatonin progesterone estradiol and DHEA Everything is highly referenced and researched He also gives steps on how to make your levels normal and to make your life better **Drug**
