MODULE 1

Overview of Medicare Program Basics

Q: Mr. Diaz continued working with his company and was insured under his employer's group plan until he reached age 68. He has heard that there is a premium penalty for those who did not sign up for Part B when first eligible and wants to know how much he will have to pay. What should you tell him?

Knowledge Assessment consists of more than 1400 study questions. The majority of the multiple choice and true/false questions is a mixed bag of subjects derived from the BOC's Practice Analysis Educational Domains and the balance covers most of the related subject matter of athletic training as previously mentioned. Chapter 4 Clinical Decision Making tests your ability to make appropriate judgment calls and improve your problem-solving skills. Each problem presents a specific scenario with several possible options that you can choose to follow. Chapter 5 Skills Assessment is composed of 26 problems that are designed to test your manual athletic training skills. Chapter 6 Critical Thinking is composed of scenario-based problems designed to test your ability to develop differential diagnoses. Chapter 7 What to Do if You Do Not Pass the First Time is directed at helping you if your test results are not favorable. We have included some suggestions on how to deal with the immediate difficulties not passing may cause and how to begin the process of developing a new approach for your next attempt. Provided you have applied the information you have learned in the classroom and on the field to the study strategies we have offered in this manual, you will not need to read this final chapter. The 7th Edition also features an online component with a variety of questions. You can test your knowledge with these exams and receive the results for each when completed. Also at the end of each sample exam, you will be able to review the questions along with the correct answers for a complete and comprehensive review. We wish you luck and look forward to welcoming you as a colleague.
