Airport Aviation Humor English Edition:

Airport & Aviation Humor Barney Smith, 2010-07-27 I thoroughly enjoyed the opportunity to share the lighter side of airport and aviation employees The vast majority of people I encountered at the airport from all classes and careers enjoyed humor Additionally I found that the average person can recognize the difference between fact and fiction truth and lies and more importantly humor versus sarcasm As I mentioned earlier humor has been determined to be a stress reducer and often a means of increasing morale Remember I referred to actual passengers and employees in trying to encourage the innocent while protecting the guilty

Humorous Wit Djamel Ouis, 2020-01-17 Humorous Wit is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race
