Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight, 2019-09-03 Being a pastor is a complicated calling Pastors are often pulled in multiple directions and must become all things to all people 1 Cor 9:22 What does the New Testament say or not say about the pastoral calling And what can we learn about it from the apostle Paul According to popular New Testament scholar Scot McKnight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor's central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship
