

TOWNSHIP ANNUAL REPORT INSTRUCTIONS

OVERVIEW

The 2000 Iowa Legislature made significant changes in the annual reporting requirements for townships. The Code of Iowa, Chapter 359.23 Receipts and Expenditures, states the following:

Each township clerk shall prepare, on or before September 30 of each year, a statement in writing, showing all receipts of money and disbursements in the clerk's office for each separate tax levy authorized by law for the preceding fiscal year, showing the current public debt of the township, and showing the balance as of June 30 of all separate reserve accounts held by the township, which shall be certified as correct by the trustees of the township. The statement shall be in a form prescribed by the county finance committee in consultation with the department of management. Each township clerk shall send a copy of this written statement to the county auditor no later than seven days after the statement is certified by the trustees. The county auditor shall post the statement or a summary of the statement in a prominent place in the building where the auditor's office is located. The county treasurer shall withhold disbursement of township taxes until the statement is filed with the county auditor. The county auditor shall notify the county treasurer if taxes are to be withheld. The county auditor may waive the requirement that a township send a copy of the written financial statement to the county auditor.

This chapter requires township clerks to prepare a statement of receipts and expenditures on or before September 30 of each year. The statement will be prepared on standardized forms. The forms are to be submitted to the County Auditor no more than seven days after the township trustees certify it. The County Auditor will post the statement in the building where the Auditor's Office is located. The County Treasurer is to withhold payment of taxes until the statement is filed with the County Auditor.

The Code of Iowa, Chapter 359.51 Separate Accounts, states the following:

A township shall keep separate accounts corresponding to the items in the township's adopted or amended budget. A township shall keep accounts which provide an accurate and detailed statement of all public funds collected, received, or expended for any township purpose, by any township officer, employee, or other person, and which show the receipt, use, and disposition of all township property.

This chapter requires that townships account for each "item", or levy, in the budget separately. This means that the financial activity should be tracked in a separate "fund" for each levy. This does not mean that there must be separate bank accounts for each fund. All township funds may be combined into one bank account, the clerk's records need to identify receipts and disbursements and balances by individual fund.

The Township Annual Report Form (Form TOWNAR) consists of five pages:

- Page S - **SUMMARY STATEMENT OF RECEIPTS AND DISBURSEMENTS**
This is a summary statement of the financial activity of the township. It also lists any outstanding year-end debt and reserve balances.
- Page R1 - **STATEMENT OF RECEIPTS:**
This form is for recording the individual beginning fund balances for the township and recording individually itemized township receipts by fund.
- Page R2 - **STATEMENT OF RECEIPTS (continued):**
This is continuation of Page R1. Use this page if a second (or more) page is needed to record receipts.
- Page D1 - **STATEMENT OF DISBURSEMENTS:**
This form is for recording the complete, individually itemized township disbursements by fund and recording individual ending fund balances for the township.
- Page D2 - **STATEMENT OF DISBURSEMENTS (continued):**
This is continuation of Page D1. Use this page if a second (or more) page is needed to record disbursements.
