**Year D** Timothy Matthew Slemmons, 2012-05-04 Although one often hears of the need to preach the whole counsel of God few resources have seriously and specifically attempted to assist the preacher and planner of worship to do just that until now Year D makes the case for the need and promise of supplementing the Revised Common Lectionary with a fourth year of lections and arranges many previously excluded biblical texts in an orderly one year preaching plan It fills a need widely voiced by preachers that the lectionary effectively limits and censors the functional canon of Scripture Destined to serve as a staple source of significant revitalization in mainline preaching and worship Year D banks on the agency of Word and Spirit to renew the church as few practical proposals have done in the last twenty years lending new focus and impetus for exploring the Bible's forgotten riches A timely and urgently needed return to the sources Year D represents a fresh appropriation of neglected and marginalized texts for preaching worship education and devotion and thus constitutes a substantive scriptural attempt to address what Walter Brueggemann has called the current preaching emergency

**In Season and Out, Homilies for Year C** William J Grimm, 2015-11-01 The Catholic Church lives on two lungs Word and Sacrament They reach their clearest expression and celebration for the Church's life in the Eucharist the source and summit of the Church's life as Vatican 2 puts it Father William J Grimm is a Maryknoll Missioner of 40 years experience in Asia mostly Japan but Hong Kong and Cambodia as well In that time he has come to deepen his understanding of the distinctiveness of the message and person of Jesus Christ even in circumstances and among people that Jesus could never have known or imagined It is not enough to understand what the readings mean as those who composed them intended us to grasp The critical thing is to find what that meaning might be in the context of our times and contexts

Speaking the Word in our time and for our places is the challenge of preaching and it is to that challenge that Fr Grimm devotes his learning experience and imagination Every week for the Church's three year liturgical cycle Fr Grimm gives visitors to [www.ucanews.com](http://www.ucanews.com) UCAN the benefit of his learning prayer wisdom and experience Each week his homilies for Sundays and special feasts are seen by some 3 000 visitors to the main UCAN site and with subtitles on UCAN's Vietnamese and Chinese sites Now the text of those homilies is published not only to assist preachers in the preparation of their homilies but for anyone wanting to deepen their understanding of the text and find material for fruitful prayer on the Sunday readings
