Congress. House. Committee on Appropriations. Subcommittee on Agriculture, Rural Development, Food and Drug Administration, and Related Agencies,2014 **The Oxford Handbook of the Economics of Poverty** Philip N. Jefferson,2012-11-05 Poverty is a pressing and persistent problem While its extent varies across countries its presence always represents the diminution of human capacity Therefore it seems natural to want to do something about it Have countries made progress in mitigating poverty How do we determine who is poor and who is not poor What intuitions or theories guide the design of anti poverty policy Is overall labor market performance the key to keeping the poverty rate low Or does it matter how well connected an individual is to those who know about the availability of jobs Does being an immigrant increase the odds of being poor Are there anti poverty policies that work For whom do they work If I m poor will I have access to health care and housing Am I more likely to be obese polluted upon incarcerated un banked and without assets if I m poor Is poverty too hard a problem for economic analysis These are some of the questions that a distinguished group of scholars have come together to confront in this Handbook The Handbook is written in a highly accessible style that encourages the reader to think critically about poverty Theories are presented in a rigorous but not overly technical way concise and straightforward empirical analyses enlighten key policy issues The volume has six parts Poverty in the 21st Century Labor Market Factors Poverty Policy Poverty Dynamics Dimensions of Poverty and Trends and Issues in Anti Poverty Policy A goal of the Handbook is to stimulate further research on poverty To that end several chapters challenge conventional thinking about poverty and in some cases present specific proposals for the reform of economic and social policy Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations for 2017: Statements of interested individuals and organizations United States.
