Jimmie Killingsworth, 2010-05-06 In Performing Prose authors Chris Holcomb and M Jimmie Killingsworth breathe new life into traditional concepts of style Drawing on numerous examples from a wide range of authors and genres Holcomb and Killingsworth demonstrate the use of style as a vehicle for performance a way for writers to project themselves onto the page while managing their engagement with the reader By addressing style and rhetoric not as an editorial afterthought but as a means of social interaction they equip students with the vocabulary and tools to analyze the styles of others in fresh ways as well as create their own Whereas most writing texts focus exclusively on analysis or techniques to improve writing Holcomb and Killingsworth blend these two schools of thought to provide a singular process of thinking about writing They discuss not only the benefits of conventional methods but also the use of deviation from tradition the strategies authors use to vary their style and the use of such vehicles as images tropes and schemes The goal of the authors is to provide writers with stylistic footing an understanding of the ways writers use style to orchestrate their relationships with readers subject matter and rhetorical situations Packed with useful tips and insights this comprehensive

volume investigates every aspect of style and its use to present an indispensable resource for both students and scholars Performing Prose moves beyond customary studies to provide a refreshing and informative approach to the concepts and strategies of writing Writing Spaces: Readings on Writings, Vol. 2 Charles Lowe,Pavel Zemliansky, Volumes in Writing Spaces Readings on Writing offer multiple perspectives on a wide range of topics about writing In each chapter authors present their unique views insights and strategies for writing by addressing the undergraduate reader directly Drawing on their own experiences these teachers as writers invite students to join in the larger conversation about the craft of writing Consequently each essay functions as a standalone text that can easily complement other selected readings in writing or writing intensive courses across the disciplines at any level *Writing Spaces 2* Charles Lowe,Pavel Zemliansky,2011-01-04 Volumes in WRITING SPACES READINGS ON WRITING offer multiple perspectives on a wide range of topics about writing In each chapter authors present their unique views insights and strategies for writing by addressing the undergraduate reader directly Drawing on their own experiences these teachers as writers invite students to join in the larger conversation about the craft of writing Consequently each essay functions as a standalone text that can easily complement other selected readings in writing or writing intensive courses across the disciplines at any level Volume 2 continues the tradition of the previous volume with topics such as the rhetorical situation collaboration documentation styles weblogs invention writing assignment interpretation reading critically information literacy ethnography interviewing argument document design and source integration *Facing It* M. Jimmie Killingsworth,2014-08-25 Blending memoir cultural history and a literary perspective Facing It bears witness to controversies like Tellico and Chernobyl global warming and local drought But rather than merely drowning readers in waves of ecological angst M Jimmie Killingsworth seeks alternative images and episodes to invoke presence without crippling the hope for survival and sustenance in places and communities of value In deft highly accessible prose Killingsworth takes the reader through a Cold War childhood an adolescence colored by anti war and ecological activism and an adulthood darkened by terrorism and climate change Inviting us on walks through tame suburbs riddled with environmental abuse and wild deserts and mountains shadowed by industrial development he celebrates the survival of natural beauty and people living close to the earth while questioning truisms associated with both economic advancement and environmental purity Above all this book invites the reader to face it to look with wide open eyes on a new nature that will never be the same but that continues to offer opportunities for renewal and advancement of life Strip Cultures The Project on Vegas The Project on Vegas,2015-09-03 On the Las Vegas Strip blockbuster casinos burst out of the desert billboards promise hot babes actual hot babes proffer complimentary drinks and a million happy slot machines ring day and night It s loud and excessive but as the Project on Vegas demonstrates the Strip is not a world apart Combining written critique with more than one hundred photographs by Karen Klugman Strip Cultures examines the politics of food and water art and spectacle entertainment and branding body and sensory experience In confronting the ordinary on America s

most famous four mile stretch of pavement the authors reveal how the Strip concentrates and magnifies the basic truths and practices of American culture where consumerism is the stuff of life digital surveillance annuls the right to privacy and nature all but destroyed is refashioned as an element of decor Discovery William J. Kelly, Deborah L. Lawton, 2003-07 The first in a series of two full color worktexts for the developmental writing market Discovery focuses on helping students build better sentence and paragraph writing skills With its encouraging tone careful explanations and abundance of precisely sequenced and incrementally challenging exercise sets Discovery enables students to view writing as a means of discovering more about themselves and their surroundings The book starts with an overview of the writing process and special attention is given to prewriting and the development of topic and supporting sentences Parts 2 through 5 provide lucid and well illustrated explanations of basic sentence elements grammar punctuation and mechanics Part 6 is a section of student and professional reading selections which include an introduction on critical reading and comprehension and contain numerous writing exercises An appendix provides practical advice for ESL writers studying English grammar and writing For anyone interested in improving basic writing skills *A Concise Companion to Postwar American Literature and Culture* Josephine Hendin, 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive Goof-Proof College Admissions Essays Lauren B. your interactions to continually improve This book is not just a read it is an investment in your social and emotional future Become the conversationalist you ve always wanted to be and discover a world full of possibilities and meaningful connections Reviewing Basic Grammar Mary Laine Yarber,Robert E. Yarber,2007 **Crafting Presence** Nicole B. Wallack,2017-06-01 Essays are central to students and teachers development as thinkers in their fields In *Crafting Presence* Nicole B Wallack develops an approach to teaching writing with the literary essay that holds promise for writing students as well as for achieving a sense of common purpose currently lacking among professionals in composition creative writing and literature Wallack analyzes examples drawn primarily from volumes of *The Best American Essays* to illuminate the most important quality of the essay as a literary form the writer s presence She demonstrates how accounting for presence provides a flexible and rigorous heuristic for reading the contexts formal elements and purposes of essays Such readings can help students learn writing principles practices and skills for crafting myriad presences rather than a single voice *Crafting Presence* holds serious implications for writing pedagogy by providing new methods to help teachers and students become more insightful and confident readers and writers of essays At a time when liberal arts education faces significant challenges this important contribution to literary studies composition and creative writing shows how an essay centered curriculum empowers students to show up in the world as public thinkers who must shape the knowledge economy of the twenty first century *Conscience in Early Modern English Literature* Abraham Stoll,2017-10-05 This is an examination of how early modern poets attempt to capture the experience of being in the grip of conscience *A George Herbert Companion (Routledge Revivals)* Robert H. Ray,2014-05-01 First published in 1995 this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand It includes key biographical information situates the poetry in its historical and cultural context and where appropriate explains theological concepts and traditions which have a direct bearing on the verse The aim throughout is to enhance understanding and appreciation without being exhaustive A *George Herbert Companion* will be of most use to general readers and undergraduate students coming to this poetry for the first time and will interest students of Anglican Caroline theology and hymnology
