Schroeder's Antiques Price Guide is still a real bargain at \$12.95. Collectors, dealers, and our customers continue to ask how we can produce this huge 612-page book each year for such a low price. It's simple: we do it by numbers. It's no secret with publishing that the more you print, the less expensive each book is. So thanks to all our loyal customers who continue to buy our #1 bestselling title, we are able to keep the retail price low without sacrificing one bit of quality. That is why you get the best for less. In August 1999, we will begin shipping the 18th edition of America's top antiques price guide. Once again, we have included over 50,000 listings, each one from all new sources and carefully checked by an authority on each particular subject. These 600 expert advisors make sure only the best and most accurate information remains. Hundreds of sharp original photographs illustrate not only the rare and unusual, but also the common collectibles: not postage stamp photographs, but large close-up shots that show important details clearly.
