King Frost

Origin: Russia
and his wife

Once upon a time there lived an old man and his wife. He had one daughter of her own, and he had one of his own. The old woman took a dislike to her stepdaughter. She hated her own daughter for everything. But whatever her daughter did, she grumbled at her and scolded her. The old woman wanted to drive her stepdaughter off the face of the earth. She said to her husband, "Take her to the dark forest. Let the frost freeze her to death. Throw her off into the forest. He brought her off into the forest. He brought her off into the forest."

...old man drove her off into the forest. He drove
the snow, and drove off home.

So the old man drove her off into the forest, and drove off home.
The little girl sat in the forest all alone, shivering with the cold.
There the little girl sat in the forest all alone, shivering with the cold.
