The Road to Citizenship Sofya Aptekar, 2015-03-18 Between 2000 and 2011 eight million immigrants became American citizens In naturalization ceremonies large and small these new Americans pledged an oath of allegiance to the United States gaining the right to vote serve on juries and hold political office access to certain jobs and the legal rights of full citizens In *The Road to Citizenship* Sofya Aptekar analyzes what the process of becoming a citizen means for these newly minted Americans and what it means for the United States as a whole Examining the evolution of the discursive role of immigrants in American society from potential traitors to morally superior supercitizens Aptekar s in depth research uncovers considerable contradictions with the way naturalization works today Census data reveal that citizenship is distributed in ways that increasingly exacerbate existing class and racial inequalities at the same time that immigrants own

understandings of naturalization defy accepted stories we tell about assimilation citizenship and becoming American Aptekar contends that debates about immigration must be broadened beyond the current focus on borders and documentation to include larger questions about the definition of citizenship Aptekar's work brings into sharp relief key questions about the overall system does the current naturalization process accurately reflect our priorities as a nation and reflect the values we wish to instill in new residents and citizens Should barriers to full membership in the American polity be lowered What are the implications of keeping the process the same or changing it Using archival research interviews analysis of census and survey data and participant observation of citizenship ceremonies *The Road to Citizenship* demonstrates the ways in which naturalization itself reflects the larger operations of social cohesion and democracy in America **Federal Register** ,2014

America Vs. Americans Eric Wade,2024-02-06 In America vs Americans Eric Wade presents American Laborism a revolutionary new economic system where the greatest commodity isn t cash it s work Capitalism is broken Despite its successes capitalism gives us the largest wealth gap in American history failing Social Security a weak currency and a

looming threat of AI destroying our workforce We need a new system one built around people rather than capital A system that values each person s unique contribution ingenuity and hard work their labor A system in which the greatest commodity isn t cash it s work And a system in which Americans at every level of society and government are working together We need American Laborism a revolutionary new system that presents a workable low tax form of capitalism for those who want it and a dignified healthy happy and fulfilled life for everyone else Under American Laborism if you re happy with the current capitalist system great Carry on but you ll get to do it with a smaller government fewer regulations better educated employees and lower taxes And if capitalism hasn t worked out as well for you you get access to unlimited free education and training guaranteed housing and food and a sound asset backed currency Everybody wins American Laborism isn t just a replacement for capitalism It s an upgrade Every American has the right to live a life of dignity to contribute and to ensure that their basic needs are respected by their society American Laborism can improve the lives of every American by bringing the least among us up without bringing anyone else down It s time to heal our nation It s time for American Laborism

Citizenship in the American Republic Brian L. Fife,2021-02-15 The Constitution has governed the United States since 1789 but many Americans are not aware of the structural rules that govern the oldest democracy in the world Important public policy challenges require a knowledgeable interested citizenry able to address the issues that represent the rich pageantry of American society Issues such as climate change national debt poverty pandemics income inequality and more can be addressed sufficiently if citizens play an active role in their own republic Collectively citizens are vulnerable to exploitation and manipulation if we place limits on our individual political knowledge A more informed engaged citizenry can best rise to the great policy challenges of contemporary society and beyond Brian L Fife provides readers with essential information on all aspects of American politics showing them how to use political knowledge to shape the future of the republic Activist citizens are the key to making the United States a more vibrant democracy Fife equips citizens and would be citizens with the tools and understanding they need to engage fully in the political process At the end of each chapter he analyzes why citizenship matters and how citizens can use that chapter s material in their own lives Fife also provides readers with a citizen homework section that presents web links to further explore issues raised in each chapter La Tarjeta Verde ¡Hecho fácil!
