Fifty Acres and a Poodle Jeanne Marie Laskas, 2010-03-31 Jeanne Marie Laskas had dreams of life on a farm that she couldn't get out of her head A dream of fleeing her otherwise happy urban life for fresh air and open space A dream she would discover was about something more profound than that A dream she never ever expected to come true Until a hot summer afternoon led to a drive in the country where a place that had existed only in her fantasies turned out to be real and for sale Fifty Acres And A Poodle The place is almost too perfect to be believed but there it is a pretty as a picture postcard farm with an Amish barn a chestnut grove and vistas so beautiful they take her breath away And in that moment she knows that this is the spot where her future begins So she drags her boyfriend Alex a committed urban dweller with zero agricultural awareness who owns a poodle into her scheme hoping that love will somehow conquer all But buying a postcard fifty acres of scenery and living on it are two entirely different matters The questions seem endless How long before the barn roof collapses Should they buy sheep Will the place be good for her writing and for her relationship with Alex And is there any way to keep Betty the mutt and Marley the poodle from rolling in mud leaves and unidentified smelly remains In this funny yet tender tale Laskas shares what happens when you follow your dream and what happens when it's almost snatched away Fifty Acres and a Poodle is a charming and surprisingly poignant memoir of Jeanne Marie Laskas's first year on Sweetwater Farm It is a journey peopled by unforgettable characters Billy the local contractor who bulldozes her briars takes her shopping for tractors and advises her on buying a mule Tim the FedEx driver whose truck becomes Marley's obsession and nearly his downfall the local hunters who present her with an entire wardrobe of blaze orange hats and Bob the cat whose valiant fight for life gives her the courage to love Jeanne Marie Laskas writes with exhilarating wit and extraordinary wisdom about life love and finding your true self on a farm It's hard to say how a dream forms Especially one like mine which at first seemed so utterly random It could have been a sailing a boat to Tahiti dream a quit your job and hitchhike to Alaska dream It was a fill in the blank dream born of an urge not content An urge for something new I was thirty seven years old I lived on Eleventh Street the last house on the right in South Side a gentrified old mill town on the banks of the Monongahela River I rented an office in downtown Pittsburgh a fifteen minute bike ride away which is where I spent my days writing stories and magazine articles I had a garden I had a cat I had a dog And I had a farm dream a fantasy swirling around in my head about moving to the country Where in the world was this coming from That's what I wondered It might have made sense if I was a miserable person sick of my life But I was not I had a good life it had taken me a long time to get it that way A farm dream would have made sense I supposed if I was at least the farm dream type A person with some deep personal

longing to churn butter A person who had had city life forced upon her and now was determined to go be true to herself and live among the haystacks A person who wore her hair in long braids used Ivory soap and liked to stencil her walls with pictures of little chickens and cows A person who at minimum had a compost pile in her yard where she diligently threw lawn clippings and coffee grounds and eggshells and earned the right to use the word organic a lot But I was not that person I was not even sure what hay was or why anyone would stack it And if I composted anything it was only by mistake **New York Magazine** ,1996-03-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
