### 7 TO 10 POINTS

#### Balls-Out Badass

With your "Go bad or go home" approach, life is a never-ending list of rules to break and drama to whip up. It's a blast being a boundary-breaking, try-anything chick, but you're not earning anyone's respect—just a reputation that could damage your future, says Jodi Lipper, coauthor of *How to Love Like a Hot Chick*. Next time you're tempted to stir up trouble, ask yourself if your helixcat antics will degrade you or someone else. If so, a little self-control is in order.

### 4 TO 6 POINTS

#### Naughty When Necessary

You maintain a pretty good balance of sugar and spice: You won't take crap from anyone, nor will you play everything safe, yet you draw the line at being aggressively sexy or vengeful just to turn heads, says psychologist John Valente, PhD, coauthor of *Brave New You*. You know that a sly dig or R-rated gesture can have way more impact than a rusty rant or triple-X move.

### 0 TO 3 POINTS

#### Too Good for Your Own Good

You have a naughty side, but for some reason, you keep it under wraps, where it does you no good. You may be suppressing your wilder impulses because you're afraid you'll be judged poorly, says Lipper. The result? You're overlooked by guys and typecast by pals as the "responsible" one, says Valente. Show some backbone when you get dissed and more skin than usual on Saturday night. A little badness is extremely sexy, and it prevents people from taking advantage of you.

*English File 4E Upper-intermediate Student Book* Christina Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-01-02 English File's unique lively and enjoyable lessons are renowned for getting students talking. In fact 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

**American English File 3e Level 4 Student Book** Christina Latham-Koenig, Clive Oxenden, Jerry Lambert, 2020-07-28 American English File Second Edition retains the popular methodology developed by world renowned authors Christina Latham-Koenig and Clive Oxenden: language motivation, opportunity, grammar, vocabulary, and pronunciation practice. In every lesson, students are equipped with a solid foundation for successful speaking. Plus, an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice, language assessment, and more. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests, which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way. **Magazine**, 1922 **The Bishop and the Butterfly** Michael Wolraich, 2024-02-06 The 1931 murder of Broadway Butterfly Vivian Gordon exposed an explosive story of graft, corruption, and entrapment that went all the way to the top of the state. Wolraich brings a journalist's eye and a novelist's elegance to this story of Jazz Age New York. New York Times Vivian Gordon went out before midnight in a velvet dress and mink coat. Her body turned up the next morning in a desolate Bronx park, a dirty clothesline wrapped around her neck. At her stylish Manhattan apartment, detectives discovered notebooks full of names: businessmen, socialites, gangsters. And something else: a letter from an anti-corruption commission established by Governor Franklin Delano Roosevelt. Led by the imperious Judge Samuel Seabury, the commission had uncovered a police conspiracy to frame women as prostitutes. Had Vivian Gordon been executed to bury her secrets? As FDR pressed the police to solve her murder, Judge Seabury pursued the trail of corruption to the top of Gotham's powerful political machine: the infamous Tammany Hall. *Birds*, 1995 **The United States Law Week**, 1962 **Books Out-of-print**, 1981
