**The Great Doctrines of the Bible** William Evans, 2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans *The Great Doctrines of the Bible* *The Great Doctrines of the Bible* William Evans, 2023-04-06 Reproduction of the original **The Great Doctrines of the Bible** Reverend William Evans, 2010-08-28 The Great Doctrines of the Bible is comprised of a series of essay lectures given to students The subject matter is covered from a Biblical rather than a dogmatic perspective The Table of Contents includes 1 The doctrine of God 2 The doctrine of Jesus Christ 3 The doctrine of the Holy Spirit 4 The doctrine of man 5 The doctrines of salvation repentance faith regeneration justification adoption sanctification prayer 6 The doctrine of the church 7 The doctrine of the scriptures 8 The doctrine of angels 9 The doctrine of Satan 10 The doctrine of the last things the second coming of Christ the resurrection the judgment the destiny of the wicked the reward of the righteous **The Great Doctrines of the Bible. **The Great Doctrines of the Bible** William Evans, Ph. D.,2015-05-09 The basics for Christian faith A well organized examination of ten major doctrines including 80 subjects by topical listing Designed to supplement personal Bible study Instead of doubting everything that can be doubted let us rather doubt nothing until we are compelled to doubt CONTENTS THE DOCTRINE OF GOD THE DOCTRINE OF JESUS CHRIST THE DOCTRINE OF THE HOLY SPIRIT THE DOCTRINE OF MAN THE DOCTRINES OF SALVATION Repentance Faith Regeneration Justification Adoption Sanctification Prayer THE DOCTRINE OF THE CHURCH THE DOCTRINE OF THE SCRIPTURES THE DOCTRINE OF ANGELS THE DOCTRINE OF SATAN THE DOCTRINE OF THE LAST THINGS The Second Coming of Christ The Resurrection The Judgment The Destiny of the Wicked The Reward of the Righteous The demand for this book has come from the students in the class room who have listened to these lectures on the Great Doctrines of the Bible and have desired and requested that they be put into permanent form for the purpose of further study and reference This volume is prepared therefore primarily but not exclusively for the student and with his needs in mind The doctrines herein treated are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture

passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow It is intended that the doctrines of this book should be studied side by side with the open Bible It is for this reason that many of the Scripture references are indicated by chapter and verse only There must be constant reference to the Scriptures themselves

**The Christian Magazine**, 1824 **New Catholic World**, 1878 **Answers for the Honest Skeptic** Ted Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing
