

## Sets of Numbers

- The **natural numbers** are the set of numbers used when counting; these are the numbers  $\{1, 2, 3, 4, 5, \dots\}$ .
- The **whole numbers** are the set of natural numbers and zero; these are the numbers  $\{0, 1, 2, 3, 4, 5, \dots\}$ .
- The **integers** are the set of whole numbers and their opposites; these are the numbers  $\{\dots, -3, -2, -1, 0, 1, 2, 3, \dots\}$ .
- The **rational numbers** are the set of numbers that can be expressed as a fraction of two integers, where the denominator is not zero. Rational numbers include the set of natural numbers, whole numbers, and integers.

EX:  $-5, \frac{3}{4}, 0, 2, \sqrt{16}, 2\frac{1}{2}, 0.\overline{6}, 2.35$

- The **irrational numbers** are the set of numbers that cannot be expressed as a fraction of two integers.

EX:  $\pi, e, \sqrt{3}, \sqrt[3]{10}$

- The **real numbers** are the set of rational numbers and irrational numbers.

EX:  $-4, \pi, \frac{7}{8}, \sqrt{5}, \sqrt[3]{64}, 0.125, \sqrt[3]{25}, 0.\overline{7}$

- The **imaginary numbers** are the set of square roots of negative numbers, written in the form  $bi$ , where  $b$  is a nonzero real number and  $i = \sqrt{-1}$ .

EX:  $-5i, i, 3i, \sqrt{-9}, -\sqrt{-100}$

- The **complex numbers** are the set of real numbers plus an imaginary number, written in the form  $a + bi$ , where  $a$  and  $b$  are real numbers and  $i = \sqrt{-1}$ .

EX:  $9 + 2i, -6 + i, -4 - 3i, 7 - 6i, 5i$

## Solving Equations

When you perform the same operation to each side of an equation, the result is a new equation that has the same solution. Equations that have the same solution(s) are equivalent equations.

### Using the Addition Property of Equality

The **Addition Property of Equality** states that when the same number is added to equal numbers, the sums are equal.

**RULE:** If  $a, b$ , and  $c$  are any real numbers and  $a = b$ , then  $a + c = b + c$ .

EX:  $2 + 7 = 2 + 7$

Applying this property to equations, when the same number is added to each side of an equation, the result is an equivalent equation.

EX: If  $x = 3 + 11$ , then  $x + 3 + 3 = 11 + 3$ , or  $x = 14$

### Using the Subtraction Property of Equality

The **Subtraction Property of Equality** states that when the same number is subtracted from equal numbers, the differences are equal.

**RULE:** If  $a, b$ , and  $c$  are any real numbers and  $a = b$ , then  $a - c = b - c$ .

EX:  $12 - 8 = 12 - 8$

Applying this property to equations, when the same number is subtracted from each side of an equation, the result is an equivalent equation.

EX: If  $y + 7 = 15$ , then  $y + 7 - 7 = 15 - 7$ , or  $y = 8$ .

## Using the Multiplication Property of Equality

The **Multiplication Property of Equality** states that when equal numbers are multiplied by the same number, the products are equal.

**RULE:** If  $a, b$ , and  $c$  are any real numbers and  $a = b$ , then  $ac = bc$ .

EX:  $5 \cdot 4 = 5 \cdot 4$

Applying this property to equations, when both sides of an equation are multiplied by the same real number, the result is an equivalent equation.

EX: If  $\frac{x}{6} = 3$ , then  $\left(\frac{x}{6}\right)6 = (3)6$ , or  $x = 18$

## Using the Division Property of Equality

The **Division Property of Equality** states that when equal numbers are divided by the same nonzero number, the quotients are equal.

**RULE:** If  $a, b$ , and  $c$  are any real numbers,  $c \neq 0$ , and

$a = b$ , then  $\frac{a}{c} = \frac{b}{c}$

EX:  $\frac{15}{3} = \frac{15}{3}$

Applying this property to equations, when both sides of an equation are divided by the same nonzero real number, the result is an equivalent equation.

EX: If  $7x = 21$ , then  $\frac{7x}{7} = \frac{21}{7}$ , or  $x = 3$

## Solving Multistep Equations

Some equations require more than one inverse operation to solve. The goal when solving a multistep equation is to isolate the variable (i.e., get it by itself). To do this, use the properties of equality. If there are like terms on one side of an equation, they should be combined before using the properties.

EX: Solve the equation  $5x + 3x - 1 = 15$

- $5x + 3x - 1 = 15$
- $8x - 1 = 15$
- $8x - 1 + 1 = 15 + 1$
- $8x = 16$
- $\frac{8x}{8} = \frac{16}{8}$
- $x = 2$

- Original equation
- Combine like terms.
- Use the Addition Property of Equality to undo the subtraction and isolate the variable term.
- Simplify.
- Use the Division Property of Equality to undo the multiplication and isolate the variable.
- Simplify.

## Variables on Both Sides

When an equation has variables on both sides, the objective is to get all variable terms on the same side of the equation by using either the Addition or Subtraction Property of Equality.

EX: Solve the equation  $6m - 8 = 2m$

- $6m - 8 = 2m$
- $6m - 8 - 2m = 2m - 2m$
- $4m - 8 = 0$
- $4m - 8 + 8 = 0 + 8$
- $4m = 8$
- $\frac{4m}{4} = \frac{8}{4}$
- $m = 2$

- Original equation
- Use the Subtraction Property of Equality to move the variable term to one side.
- Simplify.
- Use the Addition Property of Equality to isolate the variable term.
- Simplify.
- Use the Division Property of Equality to isolate the variable.
- Simplify.

## Solving Absolute Value Equations

The **absolute value** of a number is its distance from zero on the number line. Therefore, the equation  $|x| = 4$  has two solutions, 4 and -4, since both have a distance of 4 units from zero on the number line.

To solve an equation  $|x| = b$ , where  $b$  is a positive number, solve the disjunction  $x = b$  or  $x = -b$ .

EX: Solve the equation  $|x + 7| = 3$

- $|x + 7| = 3$
- $x + 7 = 3$  or  $x + 7 = -3$
- $x + 7 - 7 = 3 - 7$  or  $x + 7 - 7 = -3 - 7$
- $x = -4$  or  $x = -10$

- Original equation
- Write as a disjunction.
- Use the Subtraction Property of Equality on both equations to isolate the variable.
- Simplify.

## Solving Inequalities

An **inequality** shows the relationship between two numbers or expressions. The solution of an inequality is the set of numbers that make the inequality true.

### Addition & Subtraction Properties

The **Addition and Subtraction Properties of Inequality** state that adding or subtracting the same number on each side of an inequality produces an equivalent inequality.

If  $a, b$ , and  $c$  are real numbers, then the following are true:

**Addition Property of Inequality:** If  $a > b$ , then  $a + c > b + c$ ; if  $a < b$ , then  $a + c < b + c$ .

**Subtraction Property of Inequality:** If  $a > b$ , then  $a - c > b - c$ ; if  $a < b$ , then  $a - c < b - c$ .

Note that similar statements hold true for  $\geq$  and  $\leq$ .

### NUMERIC EXAMPLES

**Addition Property of Inequality:** Since  $4 > 2$ , then  $4 + 1 > 2 + 1$ ; since  $3 < 5$ , then  $3 + 6 < 5 + 6$ .

**Subtraction Property of Inequality:** Since  $9 > 2$ , then  $9 - 1 > 2 - 1$ ; since  $4 < 7$ , then  $4 - 2 < 7 - 2$ .

### ALGEBRAIC EXAMPLES

**Addition Property of Inequality:** If  $p - 3 < 11$ , then  $p - 3 + 3 < 11 + 3$ , or  $p < 14$ .

**Subtraction Property of Inequality:** If  $x + 9 > 16$ , then  $x + 9 - 9 > 16 - 9$ , or  $x > 7$ .

### Multiplication & Division Properties

The **Multiplication and Division Properties of Inequality** state that multiplying or dividing each side of an inequality by a positive number makes an equivalent inequality. These properties also state that multiplying or dividing each side of an inequality by a negative number and reversing the direction of the inequality symbol make an equivalent inequality.

Given  $a, b$ , and  $c$  are real numbers:

**When  $c$  is positive:** If  $a > b$ , then  $ac > bc$ ; if  $a < b$ , then  $ac < bc$ .

**When  $c$  is negative:** If  $a > b$ , then  $ac < bc$ ; if  $a < b$ , then  $ac > bc$ .

Note that similar statements hold true for  $\geq$  and  $\leq$ .

### NUMERIC EXAMPLES

**Multiplication Property of Inequality:** Since  $2 < 5$ , then  $2 \cdot 3 < 5 \cdot 3 = 15$ ; since  $2 < 5$ , then  $2 \cdot (-3) > 5 \cdot (-3)$ .

Since  $6 > 4$ , then  $6 \cdot 4 > 4 \cdot 4 = 16$ ; since  $6 > 4$ , then  $6 \cdot (-4) < 4 \cdot (-4)$ .

**Division Property of Inequality:**

Since  $4 < 6$ , then  $\frac{4}{2} < \frac{6}{2}$ ; since  $4 < 6$ , then  $\frac{4}{-2} > \frac{6}{-2}$ .

Since  $9 > 3$ , then  $\frac{9}{3} > \frac{3}{3}$ ; since  $9 > 3$ , then  $\frac{9}{-3} < \frac{3}{-3}$ .

HSPT Exam Prep Bill T Reese, 2023-10-19 Are you preparing to take the HSPT Catholic High School Placement Test and seeking a comprehensive resource to help you succeed Look no further HSPT Exam Catholic High School Placement Tests Practice Questions With Answers is your ultimate guide to mastering the HSPT and securing your place in a prestigious Catholic high school The HSPT is a significant milestone on your educational journey serving as a crucial factor in gaining admission to the high school of your dreams This book has been meticulously crafted to provide you with the knowledge strategies and confidence you need to excel on the HSPT

What You Will Find Inside

- 1 Understanding the HSPT Gain a deep understanding of the HSPT its structure sections and scoring system Know exactly what to expect on test day and how your performance will be evaluated
- 2 Preparing for the HSPT Learn how to set clear goals and create an effective study schedule Discover valuable study techniques and strategies that will maximize your preparation
- 3 Managing Test Anxiety and Building Confidence Overcome test anxiety with practical strategies and build your confidence to face the HSPT with poise
- 4 Verbal Skills Master the verbal skills section of the HSPT with a comprehensive review of vocabulary analogies and reading comprehension Practice questions and explanations are provided to reinforce your understanding
- 5 Quantitative Skills Sharpen your quantitative skills with a thorough examination of mathematics concepts including algebra geometry and more Practice questions and detailed explanations are included to solidify your knowledge
- 6 Reading Skills Strengthen your reading skills with strategies for interpreting and analyzing passages Practice questions and answers will enhance your reading comprehension abilities
- 7 Mathematics Skills Enhance your mathematics skills with a detailed review of mathematical principles and problem solving techniques Practice questions and answers are provided to help you become proficient in mathematics

Practice Questions and Answers Put your knowledge to the test with a collection of HSPT practice questions and detailed explanations to help you understand the correct answers This book is a comprehensive resource designed to guide you through every aspect of the HSPT ensuring you are well prepared and confident on test day Your journey to Catholic high school success begins here With dedication and this invaluable resource you ll be well on your way to achieving your educational aspirations Unlock your potential excel on the HSPT and open the doors to a bright academic future in a Catholic high school Get ready to embark on your journey to success with HSPT Exam Catholic High School Placement Tests Practice Questions With Answers

**ASVAB Math Made Easy** Kamrouz Berenji, Master ASVAB Math with Confidence Your Complete Study Guide Are you preparing for the ASVAB exam and need a solid foundation in math concepts This comprehensive study guide is designed to help you master essential topics whether you re returning to academics or

continuing your educational journey What You ll Get Step by step lessons covering key ASVAB math topics Clear explanations and structured practice problems Smart strategies to tackle complex questions with ease Review sections and answer keys for self assessment Practical tips to boost confidence and improve accuracy How to Use This Guide for Maximum Success Start with the Basics Build a strong foundation before moving to advanced topics Practice Regularly Solve numerous practice problems to sharpen your skills Review Reflect Learn from detailed answer explanations Use Proven Strategies Master test taking techniques to improve efficiency Perfect for ASVAB test takers aiming for higher scores Self paced learners looking for structured guidance Educators and tutors helping students prepare for the ASVAB Your Success Starts Here Stay motivated study smart and gain the confidence to excel in the ASVAB math section Download now and start mastering ASVAB math today

Eventually, you will unconditionally discover a other experience and completion by spending more cash. nevertheless when? realize you recognize that you require to get those all needs later having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more approximately the globe, experience, some places, past history, amusement, and a lot more?

It is your extremely own time to perform reviewing habit. in the middle of guides you could enjoy now is **Algebra Term Study Guide** below.

### **Algebra Term Study Guide Introduction**

In today's digital age, the availability of Algebra Term Study Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Algebra Term Study Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Algebra Term Study Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Algebra Term Study Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Algebra Term Study Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Algebra Term Study Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Algebra Term Study Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Algebra Term Study Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Algebra Term Study Guide books and manuals for download and embark on your journey of knowledge?

### **FAQs About Algebra Term Study Guide Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Algebra Term Study Guide is one of the best book in our library for free trial. We provide copy of Algebra Term Study Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Algebra Term Study Guide. Where to download Algebra Term Study Guide online for free? Are you looking for Algebra Term Study Guide PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Algebra Term Study Guide. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money

and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Algebra Term Study Guide are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Algebra Term Study Guide. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Algebra Term Study Guide To get started finding Algebra Term Study Guide, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Algebra Term Study Guide So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Algebra Term Study Guide. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Algebra Term Study Guide, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Algebra Term Study Guide is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Algebra Term Study Guide is universally compatible with any devices to read.
