## **Alice In Shtuppingland:**

**Alice in Shtuppingland** Barrie Abalard, 2011-08-28 Seventies slacker to use a word not yet invented and aspiring writer Alice moves from Virginia to Boston in 1977 with nothing but her intelligence sass and a MasterCard. Attacking life and its problems the way a shark pursues prey within weeks she's accumulated a shared apartment a job and an assortment of friends that you'd expect to find on the other side of the looking glass from crazy assed musicians to writers to pro dommes and call girls. Not to mention the two very fine men who take turns in her bed George who wants a woman who can keep up with him both mentally and physically and Doug a pretty boy who hooks Alice without even casting a line. George strong willed intelligent and employed by the nascent computer industry finds Alice by turns endlessly fascinating and infuriating and ultimately irresistible. Doug a wannabe journalist who lands women as easily as the local fishermen land cod professes love to Alice. Yet he can't be true to anyone not even himself for his past holds a secret about his long absent father one his mother never revealed to him. This rollercoaster semi autobiographical tale by Barrie Abalard takes Alice from helping her sister Barb escape abuse at home to landing her first freelance writing job with a porno mag to a mission meant to help an assaulted call girl friend which requires her to pretend to be a working girl herself. And the sex. Did we mention the hot super fun crazy Seventies shtupping. In this coming of age tale Alice finds that she doesn't always get what she wants but as the Rolling Stones sing she usually gets what she needs.
