Three people stand in the background near an open doorway, while three others, including a baby, are seated in a large ornate chair in the foreground. Two dogs, a black and white spaniel and a golden retriever, sit on the patterned rug. The room features a tall grandfather clock, a side table with a lamp, and a bookshelf in the background.

All Creatures of Our God and King Teri Wilson, 2006 **Ask the Animals** Elizabeth Canham, 2006-10-01 Ask the animals Job says and they will teach you the birds of the air and they will tell you who among you does not know that the hand of the Lord has done this From the humpback whale who offers a glimpse into God's mystery to the elephant who models God's fiercely protective love and compassion to the blackbird who opens our eyes to the song of joy that sings through the cosmos the animal kingdom is a treasure trove of images of our Creator In this beautifully illustrated collection of essays readers will find surprising connections and much food for thought Ask the Animals is a wonderful resource for private devotion or group study *"Poverina"* Evelyn Mary Buckenham, 1912 *The Heart That Loves Us* Jody Diehl, 2018-12-14 Blessed is the star of joy That God may send our way It draws us ever closer Sends us to our knees to pray We must not see it as a cloud But as a ray of light A star of joy from heaven That will bless us in His sight jody diehl God not only loves us as our Father but also as our Creator and Shepherd His love is what gives us joy peace comfort hope strength and wisdom No matter what happens during our earthly lives God will never leave or forsake us His grace will sustain us and His mercy endures forever In a collection of inspirational poems jody diehl shares God's messages that allow spiritual seekers to gain a deeper understanding of Him and their faith Her poems reflect on all the ways that God is present in our lives why we should believe in miracles and why He sometimes sends stars from heaven Included within her verse are scriptural passages that guide seekers to find further inspiration within the pages of the Bible The Heart That Loves Us shares moving poetry that gently reminds all of us that we are dearly loved by our heavenly Father **All God's Creatures** Daniel P. Horan, 2020-07-07 The predominant stewardship model of creation is the result of an intentional effort to correct approaches that reinforce human sovereignty and the resulting environmental degradation However as All God's Creatures argues the stewardship model actually does not offer a correction but rather reinscribes many of the very same pitfalls After close analysis of the stewardship model this book identifies scriptural theological and philosophical sources to support the adoption of a community of creation paradigm Drawing on postcolonial theory this book proposes the concept of planetarity as a framework for conceiving the relationship between human and nonhuman creation and the Creator in a new way This theoretical framework is grounded by a retrieval of the medieval Franciscan theological and philosophical tradition The result is what can be called a postcolonial Franciscan theology of creation imagined in terms of planetarity providing a constructive and nonanthropocentric response to the need for a new conceptualization of the doctrine of creation **Our**
