
ROMEO AND JULIET

Actual Exam Questions with All Complete Solutions

What does this chorus say this love story will teach us? - CORRECT ANSWER
How love has the power to heal old wounds, while hate has the power to destroy.

Does the Chorus suggest we should sympathize with the lover or the parents? Why? -
CORRECT ANSWER The Chorus tends to lean toward sympathizing with the
lovers. Had it not been for their parents' hatred for each other, they may have not had to
keep their love, and get married in, secret.

The Chorus" gives away the ending." The story was already well-known to
Shakespeare's audience, as it is us. Does knowing the ending all along add to or
diminish the tragedy? - CORRECT ANSWER I think it adds because even through
the happy times we know that eventually it will end.

What does the first scene of the play reveal about Romeo's behavior? Explain how he
changes by the end of Act - CORRECT ANSWER Romeo is in love with being in
love. He is depressed because he is being rejected, yet he will not let her go.
By the end of the Act, he has changed his love interest from Rosaline to Juliet. This
shows how he, again, loves being in love; however, he changes because he seems to
truly love Juliet.

What is your impression of Juliet's father? Describe the relationship between Capulet
and his daughter as it is shown during Scene II - CORRECT ANSWER Juliet and
her father probably have a mutual respect relationship. He values her opinion enough to
let her have a say in her future, and she respects him as her father, and would probably
ask for advice in a situation if she felt that he would respond rationally
