Business Ethics K. Praveen Parboteeah, John B. Cullen, 2013-04-12 Business Ethics provides a thorough review and analysis of business ethics issues using several learning tools Strategic Stakeholder Management as the Theme All chapters use a strategic stakeholder approach as a unifying theme The text is thus the first text that adopts this approach Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders By adopting this approach students will be able to see how the various aspects of business ethics are connected Theory based and Application based All chapters have important applicable theories integrated with discussion of how such theories apply in practice Unlike other texts that are either too theoretical or too practical this text provides the appropriate

blend of theory and practice to provide deeper insights into the concepts covered in the chapter Global Perspective Unless most other texts this text provides a global perspective on business ethics Most chapters include material pertaining to ethics in global contexts Included are cases about companies in a wide range of countries including Japan U K China and India among many others Cases The text contains over 30 real world global cases Each chapter ends with a short two page case as well as a longer case that varies in length Each has discussions questions at the end Finally each of the four parts ends with a Comprehensive Case proven teaching cases from The Ivey School and other sources **Case Studies in Crisis**

Communication Amiso M. George, Cornelius B. Pratt, 1997-08-13 Case Studies in Crisis Communication International Perspectives on Hits and Misses was created to fill the gap for a much needed textbook in case studies in crisis communication from international perspectives The events of September 11 2001 other major world crises and the ongoing macroeconomic challenges of financial institutions justify the need for this book While existing textbooks on the subject focus on U S corporate cases they may not appeal equally to students and practitioners in other countries hence the need to analyze cases from the United States and from other world regions The variety and the international focus of the cases be they environmental health or management successes or failures makes this book more appealing to a wider audience These cases examine socio cultural issues associated with responding to a variety of crises Lemon-Aid Used Cars and Trucks
