Committee on Labor and Public Welfare. Subcommittee on Alcoholism and Narcotics,1974 **Ms. Moffett's First Year** Abby Goodnough,2009-04-28 In summer of 2000 legal secretary Donna Moffett answered an ad for the New York City Teaching Fellows program which sought to recruit talented professionals from other fields to teach in some of the city s worst schools Seven weeks later she was in a first grade classroom in Flatbush Brooklyn nearly completely unprepared for what she was about to face New York Times education reporter Abby Goodnough

followed Donna Moffett through her first year as a teacher writing a frontpage award winning series that galvanized discussion nationwide Now she has expanded that series into a book that through the riveting story of Moffett s experiences explores the gulf between the rhetoric of education reform and the realities of the public school classroom Ms Moffett s First Year is neither a Hollywood friendly tale of one person making a difference nor a reductive indictment of the public education system It is rather a provocative portrait of the inadequacy of good intentions of the challenges of educating poor and immigrant populations and of a well meaning but underprepared woman becoming a teacher the hard way While the story takes place in New York Ms Moffett s first year is a metaphor for the experiences of teachers everywhere in America one that illuminates the philosophical economic political and ideological dilemmas that have come more and more to determine their experience and their students experiences in the classroom
