Pictorial History of America, 1958 The dramatic story of the United States and Canada from the age of discovery to the Atomic Era told in 2500 pictures 200 000 words and 55 historical maps in full color *Gold Rush* R. K. Chin, 2017-05-15 This is no armchair general or Monday morning quarterback to expose the Gold Rush myth I was there Rode ate worked a little side by side with the cast members of the widely acclaimed and groundbreaking Discovery television reality show A real gold strike for the Discovery Channel in its inaugural season it was followed by more scintillating seasons which included new cast members working on different claims I am restricting my discussions exclusively with those I associated with Todd Hoffman's original group Greg James Jim Chris Dave Jack and Todd himself of course It is hoped that by sharing with you some of the most intimate and behind the scenes shots of what actually took place will reveal to you what reality is and is not You be the judge *Gold Rush*, 2014 After two years of equipment breakdowns infighting and battling Mother Nature one of the mining teams finally hits paydirt Parker Schnabel has a new crew new land and a newly rebuilt wash plant on his side After months and months of digging Dakota Fred finally hit bedrock and started to see the best gold yet just as winter set in last year and has high hopes that this will finally be the season he walks away a millionaire And in his quest to find 1 000 ounces of gold this season Todd Hoffman doubles down with two claims and twice the crew and equipment But is that enough to get him to his goal of finding ten times more than he did last year Container *Rugged Gold Miners* Jeff Savage, 2012-01-01 On a frigid day in Coloma California James Marshall's heart pounded An excitable man he held a shiny metal nugget in his hand Could this be gold To test the metal he hammered it with a rock It flattened easily as gold should When news spread of Marshall's golden discovery thousands of people traveled to the Wild West in search of fortune Author Jeff Savage explores the miners prospectors and families who went great distances to find gold Although most people never found it the gold rush would change the landscape of the United States forever **The Bible on the Lost Dutchman Gold Mine and Jacob Waltz** Helen Corbin, 2002 The first book in history that documents Waltz from birth to the grave This landmark text offers historical proof such as ship manifests and German translations of his infamous directions to the mine and all major speculations that have occurred in the hundreds of books published in the 111 years following Waltz's death The Gold Rush Liza Ketchum, 1999-04-01 Colorado's Great Depression Gold Rush V. Larry Frank, 2017-04-20 Gold Rush during the Great Depression in Colorado *The Pikes Peak Gold Rush* Peter Vescia, 2015-12-15 Few events have shaped the history economy and even geography of the state of Colorado quite like the Gold Rush This book examines the events that led up to the discovery of gold how the Gold Rush changed the cities and towns of Colorado and the long term effects on the state's environment and natural resources The informative text supported by full color images and primary source documents provides not only a chronology of events but also historical perspective on how the past inevitably impacts the present *Pay Dirt* Glenn Chesney Quiett, 1936 *The Gold Rush.
